LEGEND 1974

Basenbach

Dear Miss R. Basenbach.
I would really like to take this opportunity to thank you for the true endeavors to help me prepare for the future. You were something special to me and I will never forget you.

Your Loving Student
Edward Earl Addleman
(Senior Graduate in 1974)

Miss Basenbach,
Thank you for everything this year. What I have learned will probably be priceless to me in colleg I think that I was one of the few students in our class who understoo that we had to write. I do not mind writing at al Continue your tremendous teaching in all your future classes. I'll be stopping in next year sometime.

Richard Zinkus

Miss Basenbach,
How many people start out not appreciating & then end up thanking for all the things she's done for us? I'd like to be numbered among those people. I'm sorry it took me so long to realize what a fine teacher you are. I would like to thank you for your patience & understanding. I'm glad I was in your class. I promise this summer and sometime in the future I'll drop in at school. I'll never forget you.

Love, Jody Aber

Thanks for all the help!
Betty Blue

Dear Miss Basenbach,
I've really enjoyed being in this class this past year and believe it or not I learned quite a lot in here. I really appreciated all of the patience you had with me and I hope you have a very nice summer and don't be surprised if I come back to visit next year. I must thank you for all you've done for me this year. I know it will help me because I'm not going to college.
Janet Mac Donald

Miss Basenbach,
You really taught me alot this year I really appreciate it.
See you next year sometime
Mike Buchely

Miss Basenbach,
I took English IV E so that I would be in your class because I knew I would learn alot, and sure enough I did. You claim that people say mean things about you, but I don't believe that's true. Everyone I know respects you greatly and appreciates the thought and consideration you put into teaching. Thank you for all the help you have given me and I know I'll miss you next year.
Love, Gail Kaechele

Miss Basenbach,
I especially thank you for pushing me because you knew it was best for me. I appreciate it and have grown from it. Do the same for the others that are going to need it.
Thanks again,
Mark Hekmatz

Miss Basenbach,
It's really been a challenge in English this year, but now that's it's over I think I've really learned something. Thank you for forcing us to turn in our papers and the best of luck and success in the future.
Sue O'Neal

Miss Basenbach,
I have really enjoyed your class. You were right in the beginning of the year saying they would be out. Thanks for your help. Please don't correct this. I don't like doing corrections. But they help very much.
Faith Spencer

It has been -er- interesting in your class this year. You were a good sparring partner.
Rick Glitz

Dear Miss Baserbach,
I really don't know how to say what I feel. All I know is that I never could have made it without your help. I really wish I had been in your class all year instead; I spent half a year worrying about this class during par. Take care of yourself. All strop by and see you sometime. Pray. Love, Chris Marconi

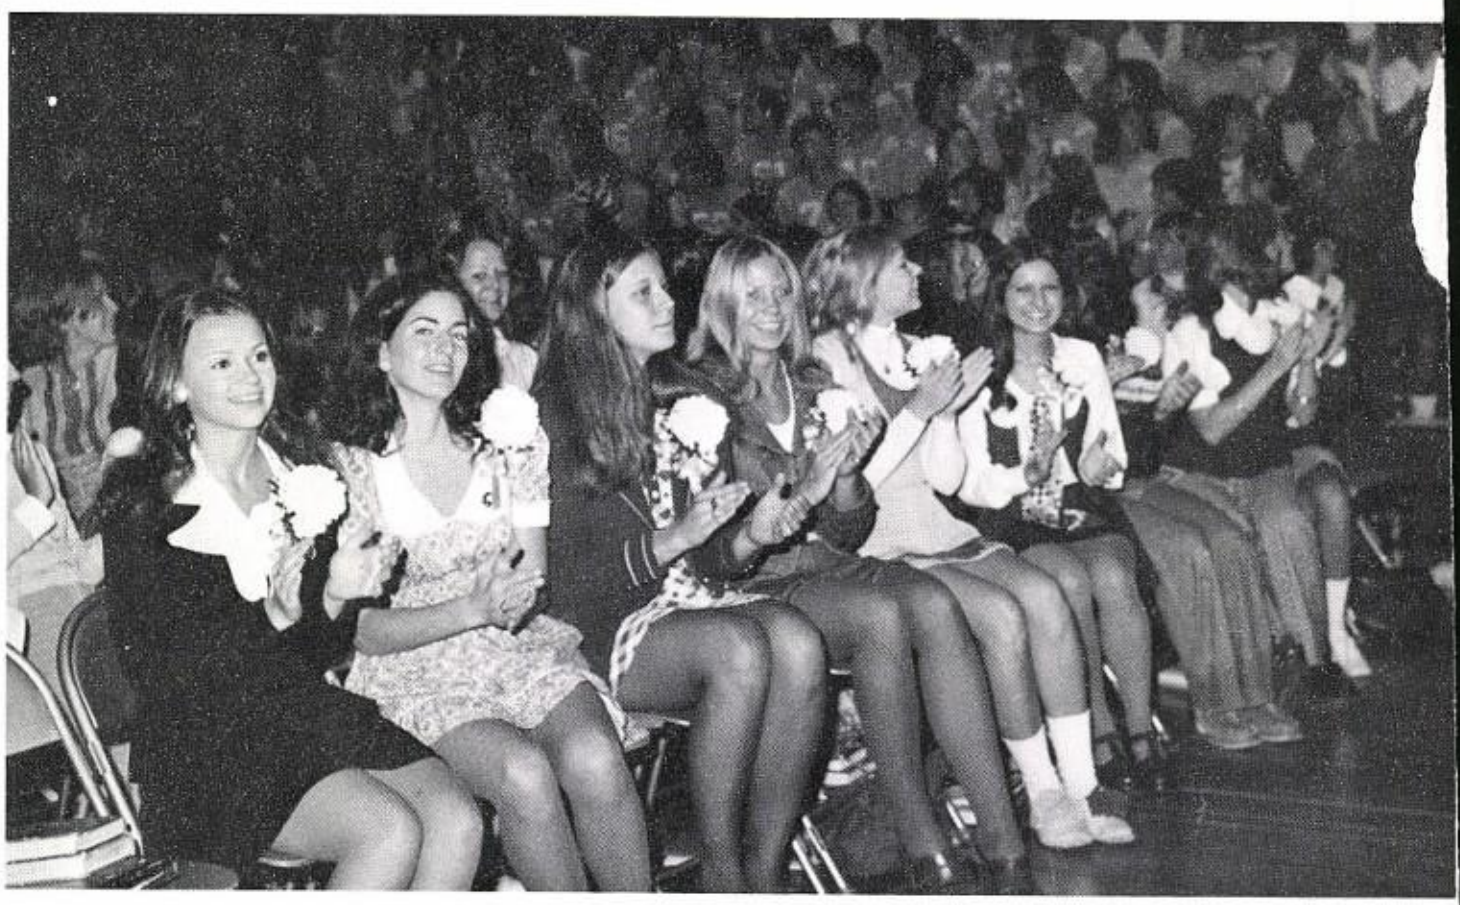
The Year

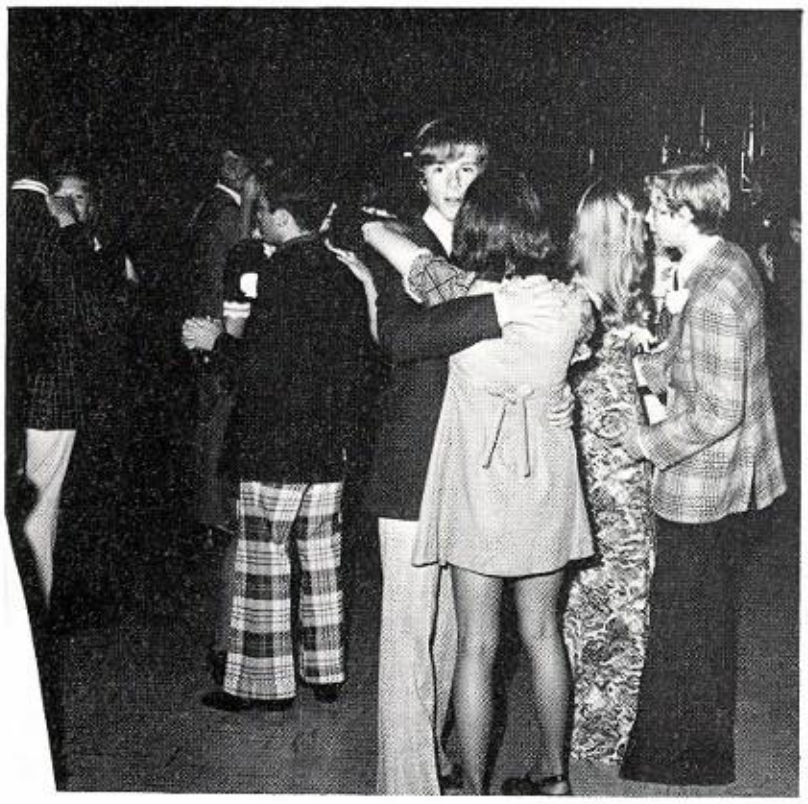
Throughout the year, 1973-74, many people became involved in many activities. Once again Student Council organized a great Homecoming weekend. Both proms were a huge success. The large cast of V-Show made up an excellent show. These are just a few of the numerous activities that made "The Year" a great year.

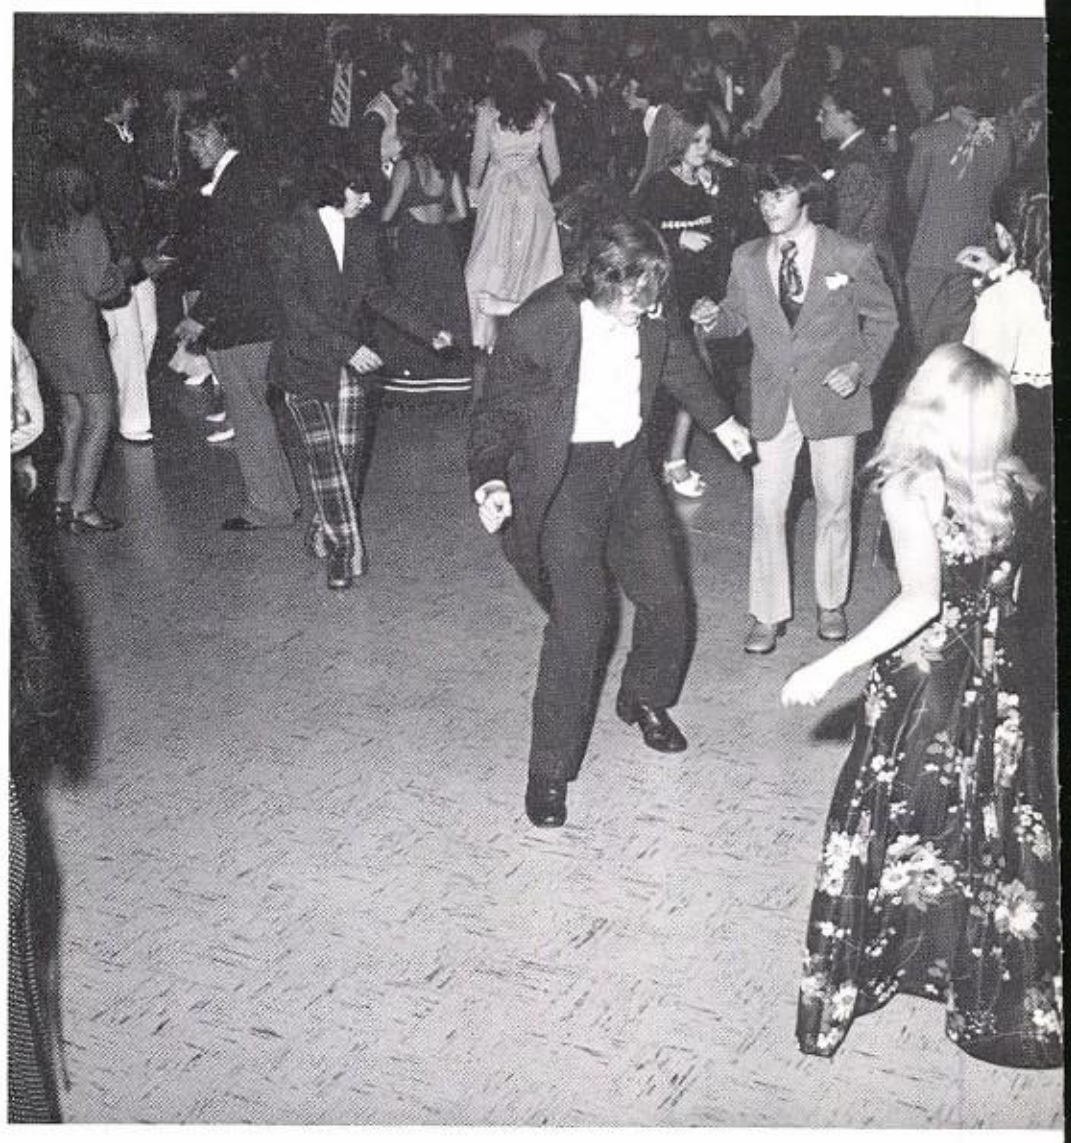


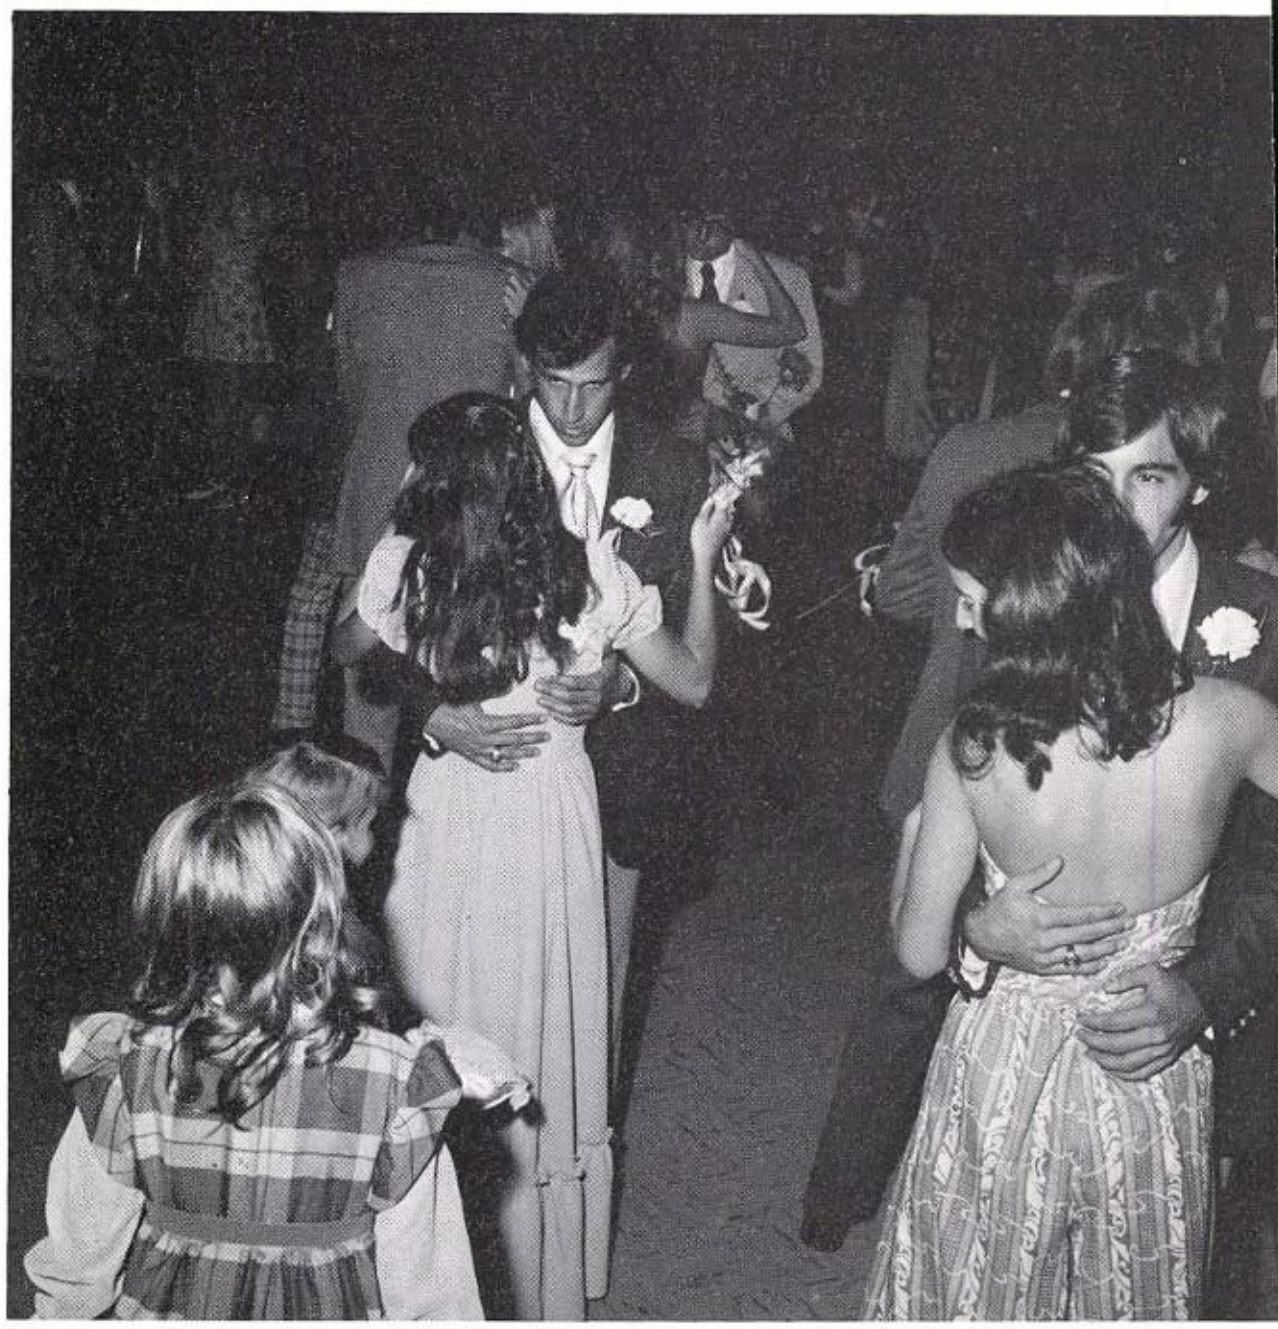
SENIOR

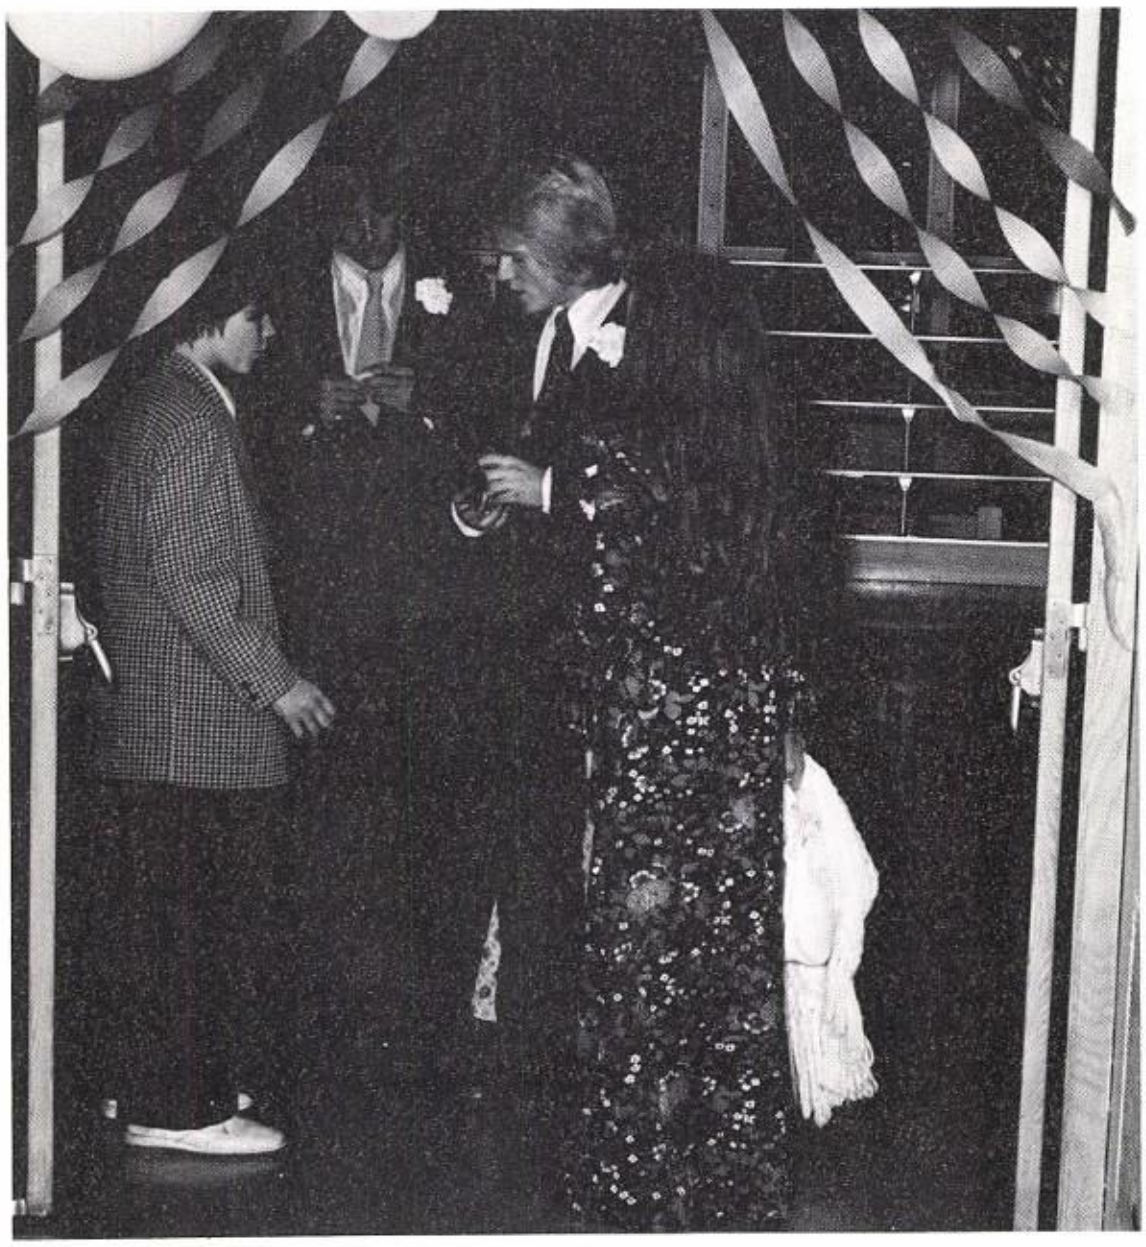
Homecoming 1973

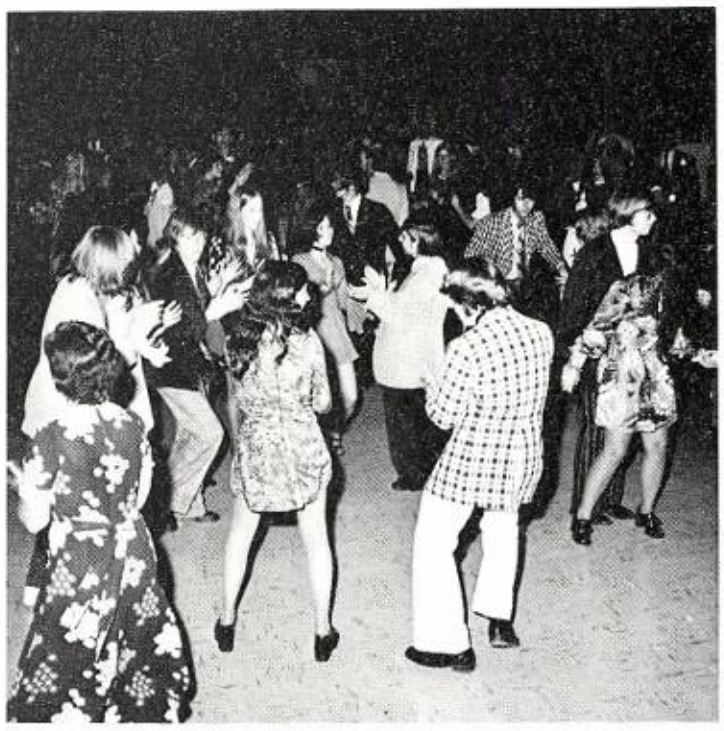
This year's Homecoming, "Spirit That Won The West," took place on October 26 and 27, sponsored by Student Council. The festivities began with an all school pep assembly on October 26 with an alumna guest singer, Carolyn Hummel. Activities continued with the parade in the afternoon and the football game that Friday night. Highlights of the game were the announcement of the queen, Andrienne Szcygiel, and the winner of the float competition. The Senior Class received first place. Saturday night, October 27, was the finale of the 1973 Homecoming weekend. The dance, "An Old-Fashion Picture Show," was held with entertainment by Dixon. Homecoming was a great start for this school year.











'Candles Aglow And Mistletoe'

The 1973 Christmas Formal held in the auditorium on Saturday, December 22, was entitled, "Candles Aglow and Mistletoe." The music by the Ron Phelps Orchestra was excellent; they played a variety of songs. Ann Price was crowned queen that evening to reign over the dance. As an added surprise, Mr. and Mrs. Santa Claus and one of their helpers stopped by for a visit. The entire evening was a nice addition to the Christmas holiday season.

'Bonsoir Paris'

The Junior Prom, "Bonsoir Paris," was held on Friday evening May 25, 1973. One unique factor about this prom was that the music was presented by the Ron Phelps Orchestra and Mad John Fever, a rock group. The auditorium was filled with decorations centered around the Eifel Tower with a French sidewalk cafe. On the side was a wishing well pond where couples could toss in pennies to wish that their dreams would come true. The success of "Bonsoir Paris" was attributed to the Class of 1974.

'Showbound'

This year's V-Show, "Showbound," was presented November 15, 16, and 17, in the auditorium at 8 p.m. A company of actors, stranded in an airplane terminal, presented their show, a wide variety of acts. The cast and crew worked together to produce four well received performances.

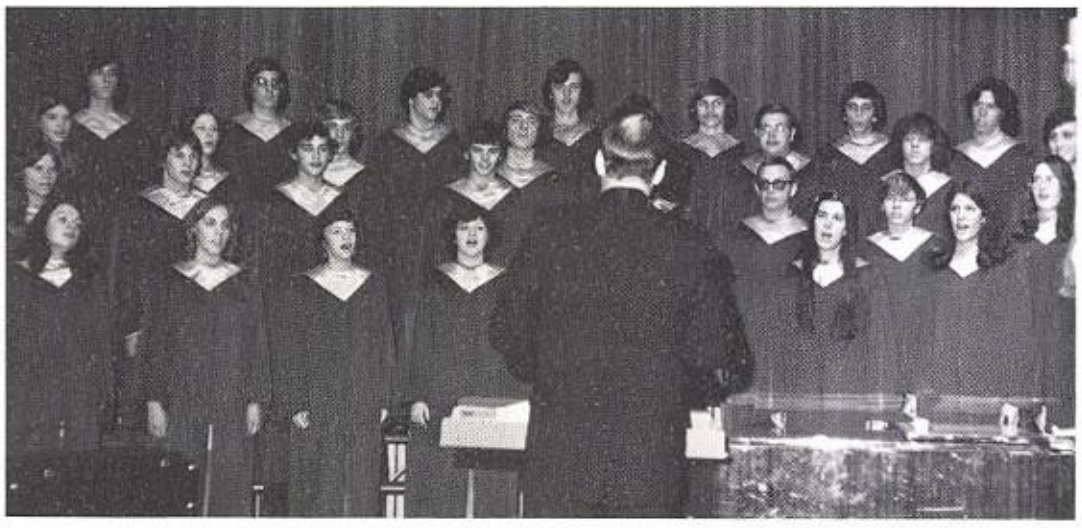
Christmas Concert

The annual Christmas Concert was held Friday, December 14, 1973. The show included concert groups from the entire Music Department. On Thursday evening, December 6, 1973, the Glee and Chorus groups hosted a recital where soloists and ensembles could perform.



M-Club — Faculty

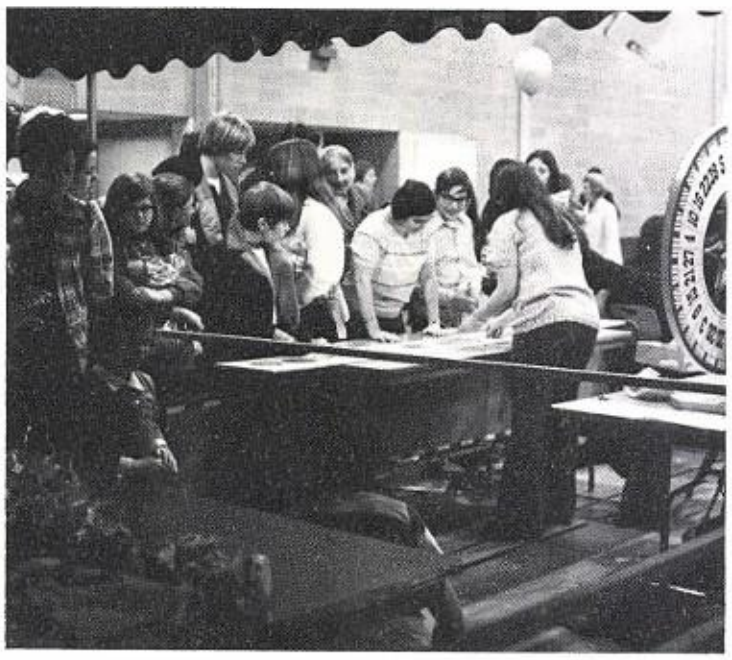
On November 20, 1973, the faculty met the M-Club in their annual basketball game. Halftime activities were provided by the cheerleaders and pom-pon girls, who were new M-Club initiates. Other festivities included two badminton tournaments. One was with Coach Jim Borowski, winner, and Ms. Royleen Tipton. The other was between Karen Neetz, winner, and Mark Schludt. Due to the fact that the sophomore class donated the most money to the penny drive, class president Sue Bowersox received a pie in her face. Once again the faculty won with the score 54-38.

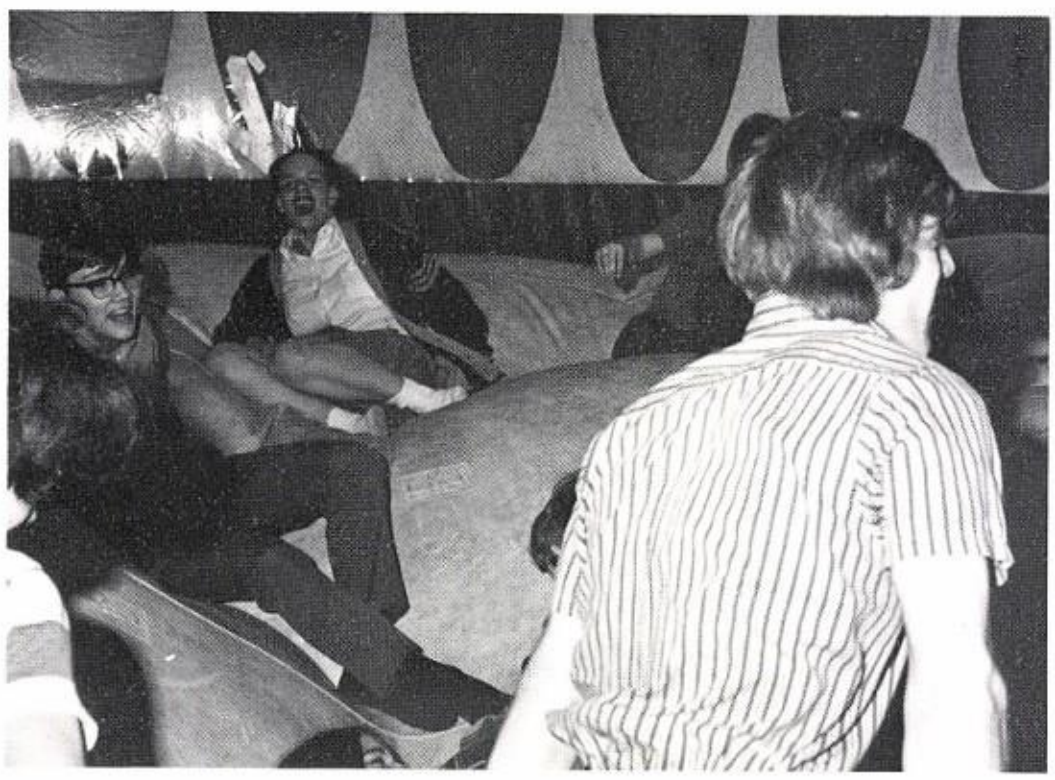
'Tailor Made'

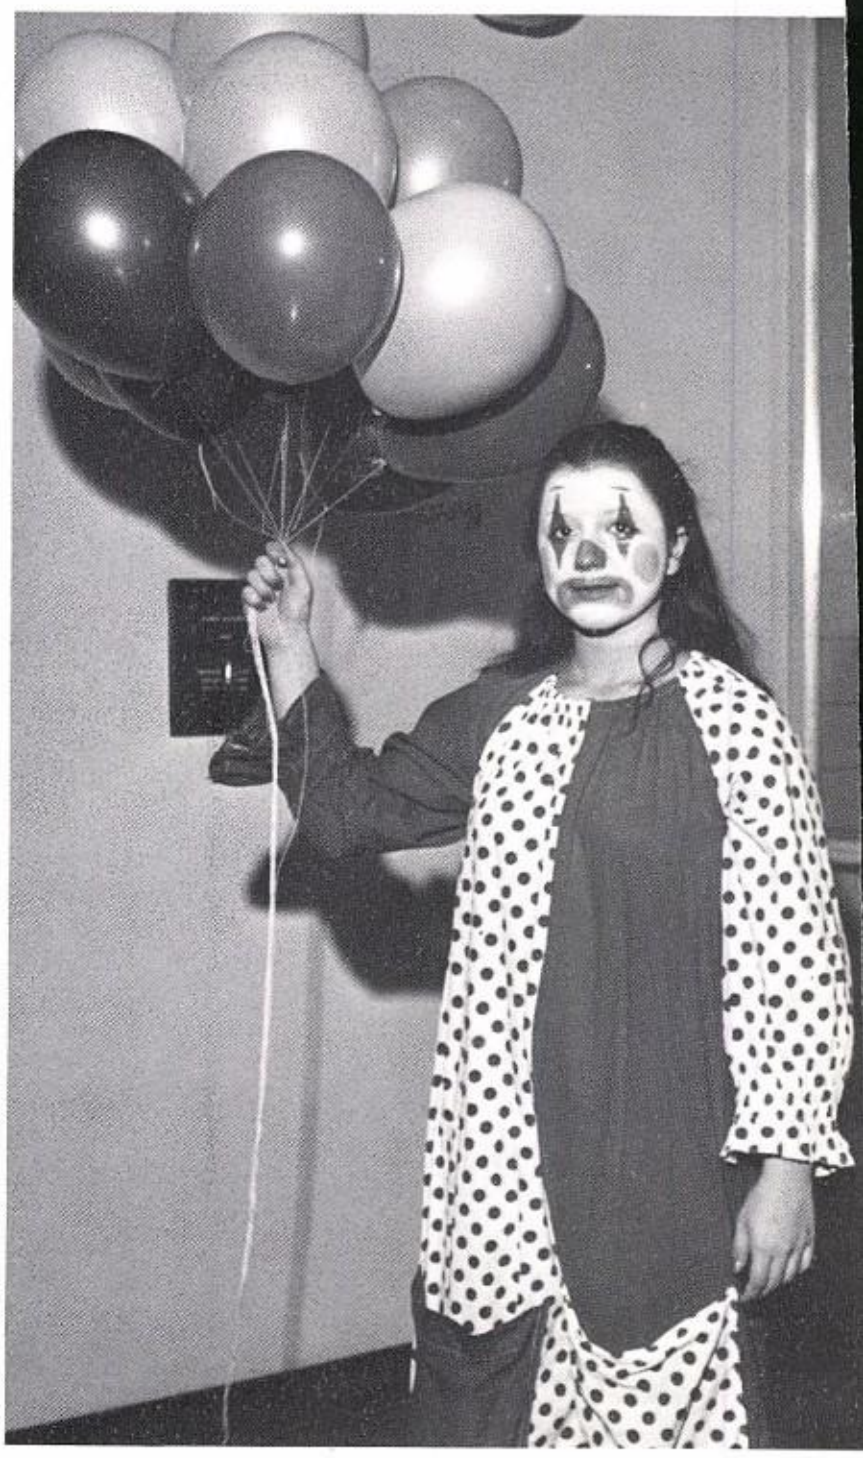
Orchesis (modern dance club) is made up of girls interested in learning dancing techniques. "Tailor Made," the spring show, was presented on April 14 and 15, 1973. The show had a variety of jazz, modern, tap, ballet, and different dance of countries. All was put together with threads of thought, a variety of patterns, an assortment of material, and zipped together with a lot of enthusiasm.

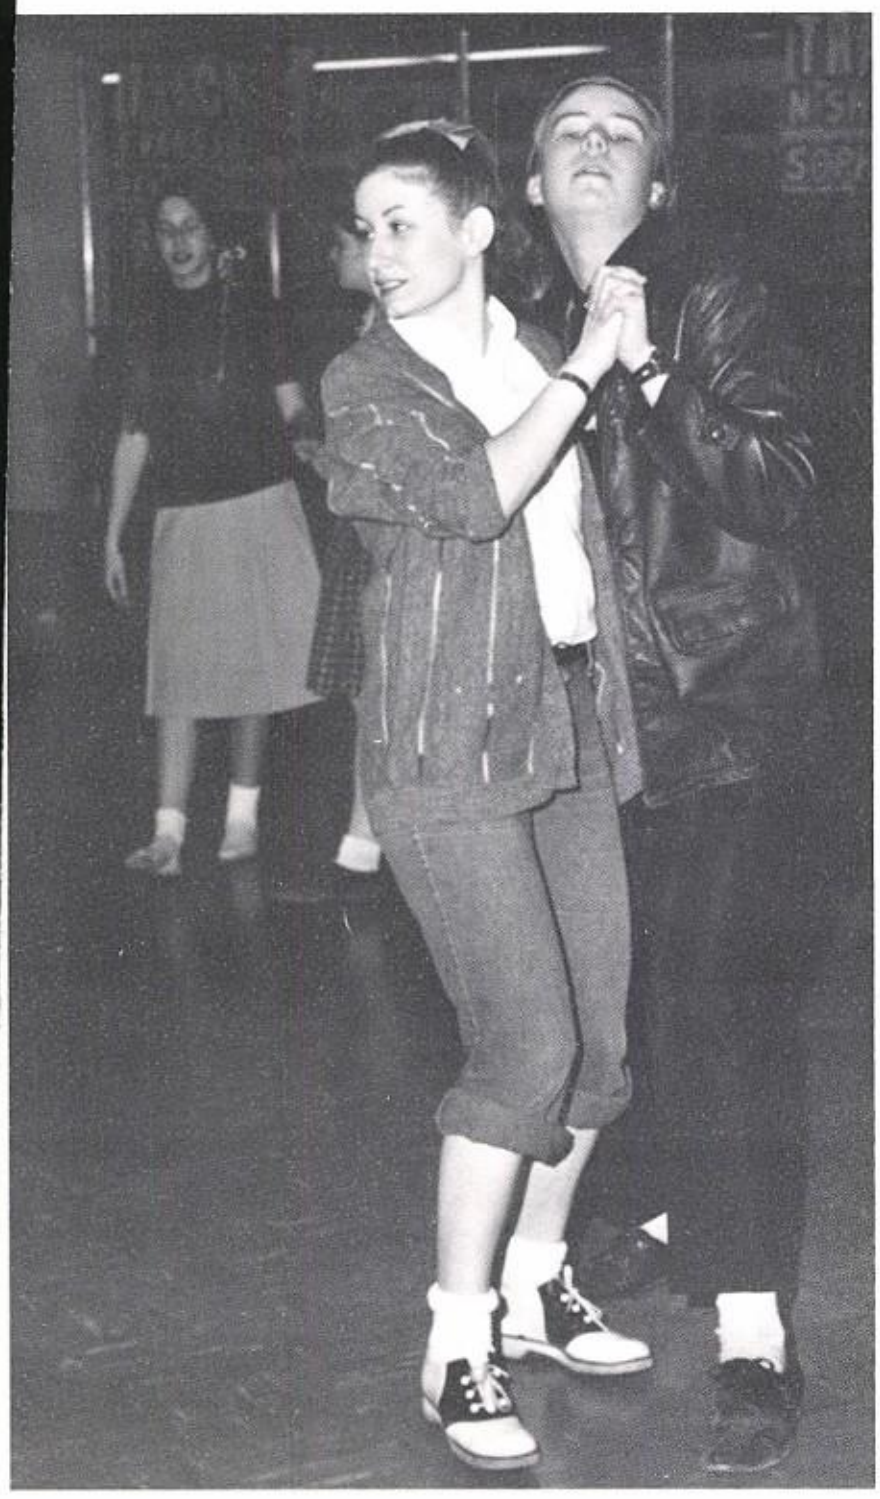
'Super Saturday'

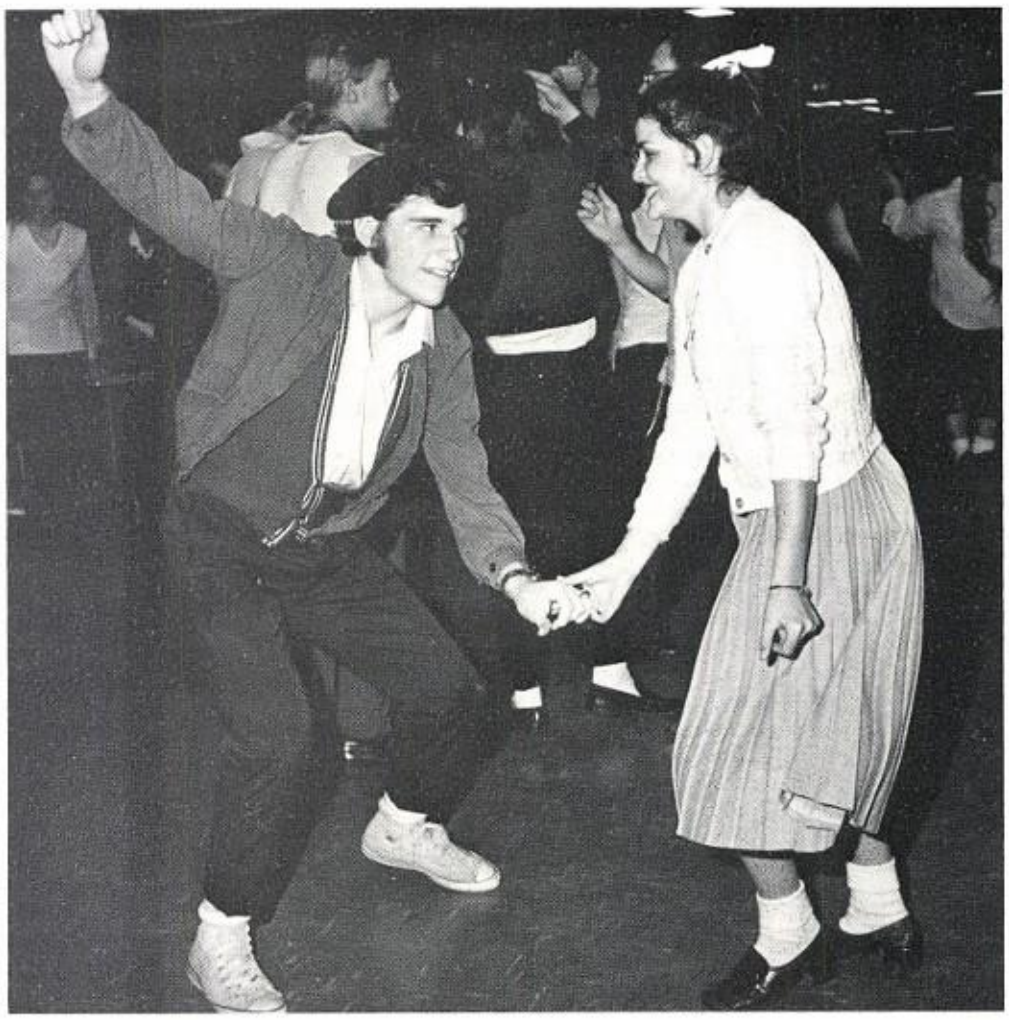
On March 10, 1973, Student Council sponsored Super Saturday. The day began with a carnival in the C-wing gym and the cafeteria. The carnival was only the beginning to this super day. There was a spaghetti dinner in the cafeteria from 3:30 to 6:30. No one went away hungry; this was good, because fun for the evening was just beginning. There was roller skating, volleyball, basketball, and a moon walk. Then for still more fun, there was the 50's Dance in the cafeteria. Super Saturday was definitely a super event made possible by the super people who were there.

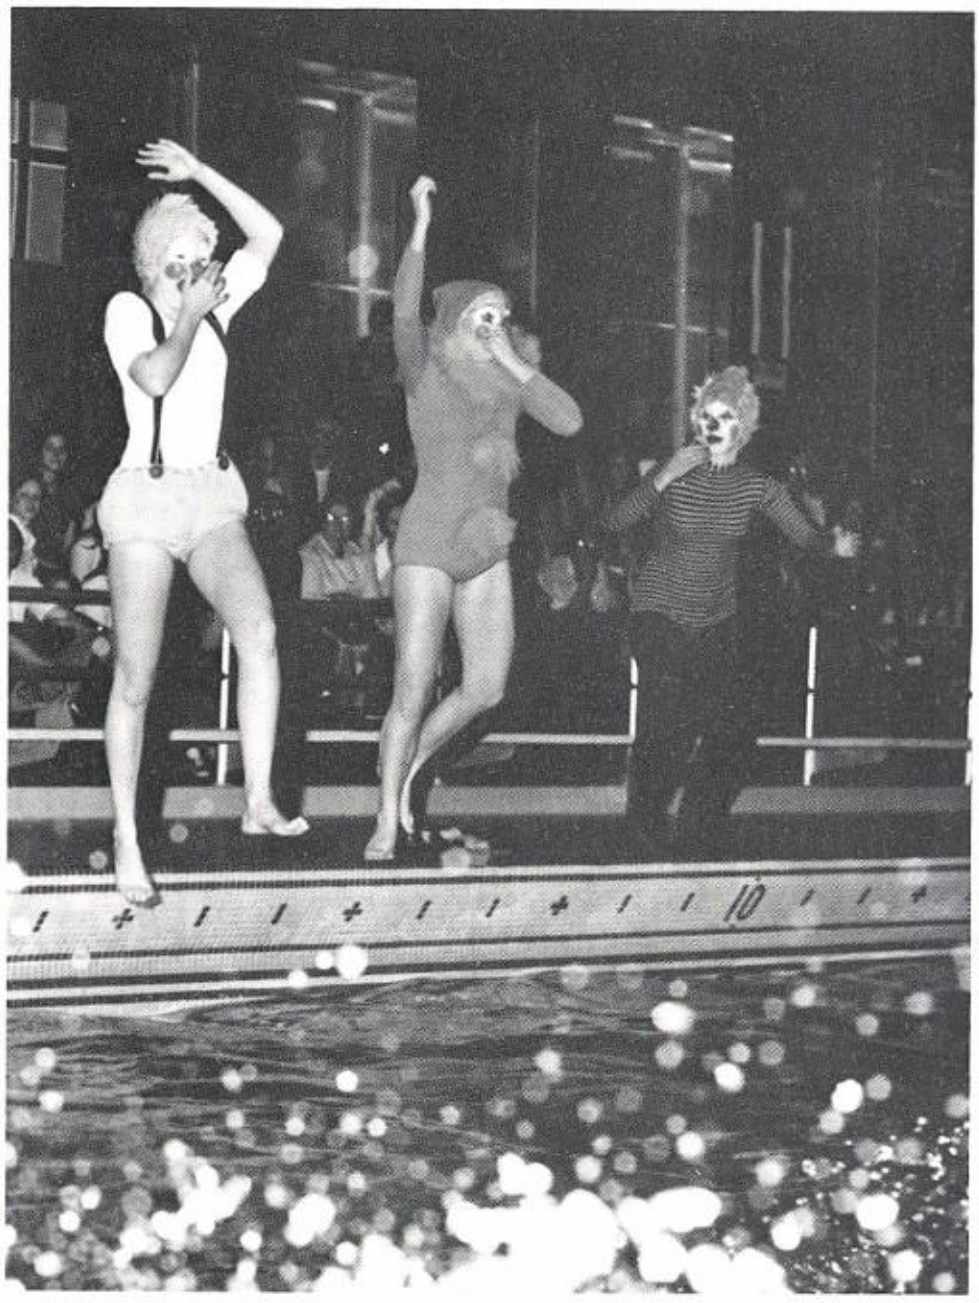


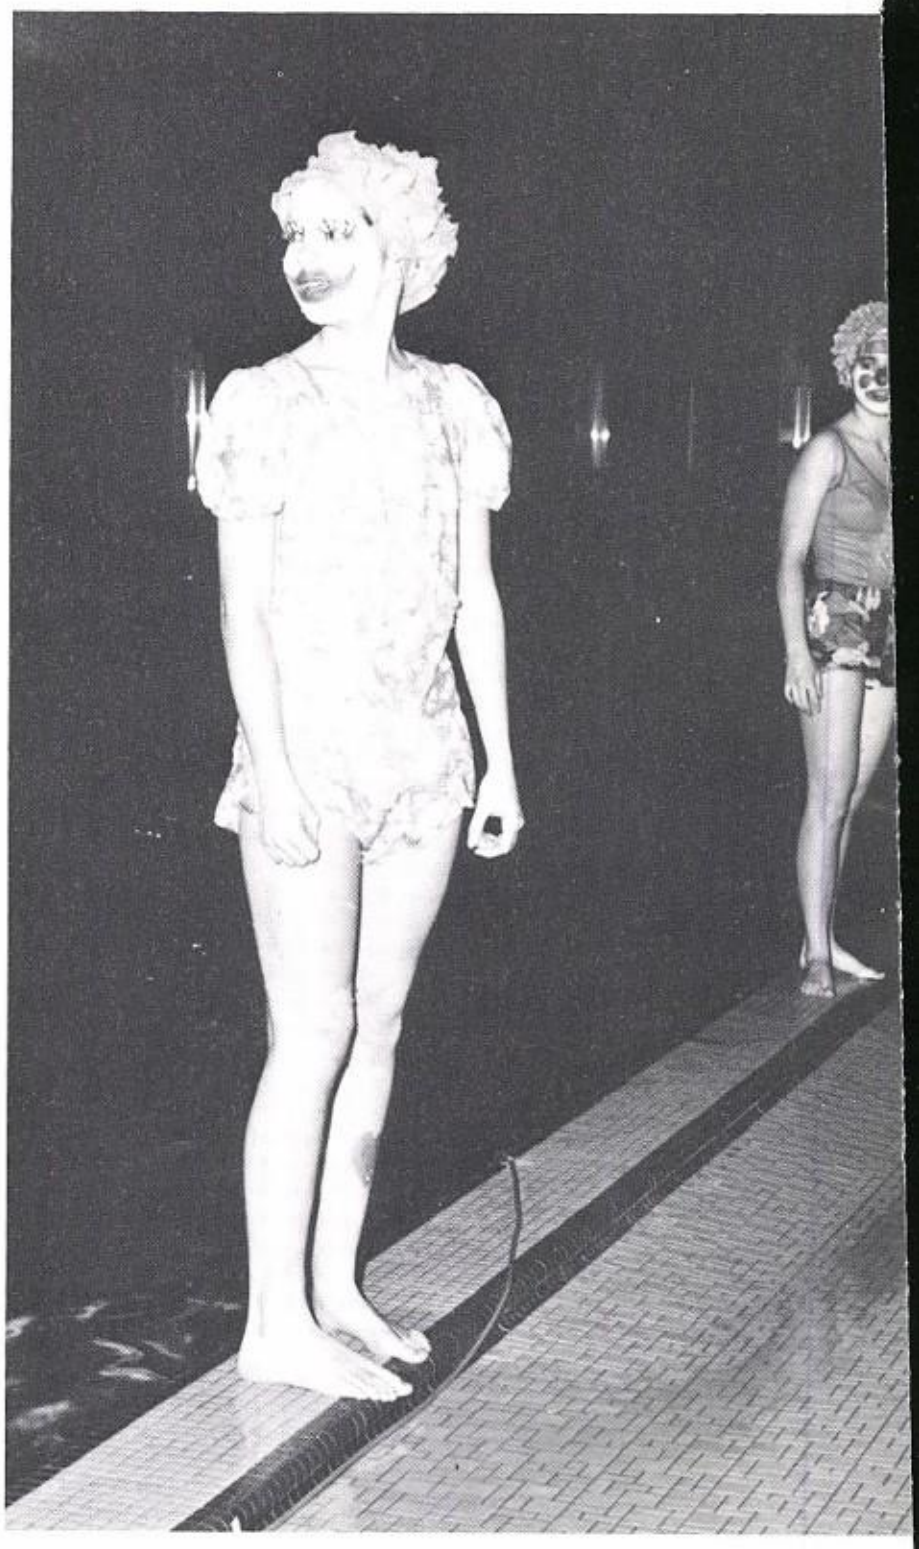


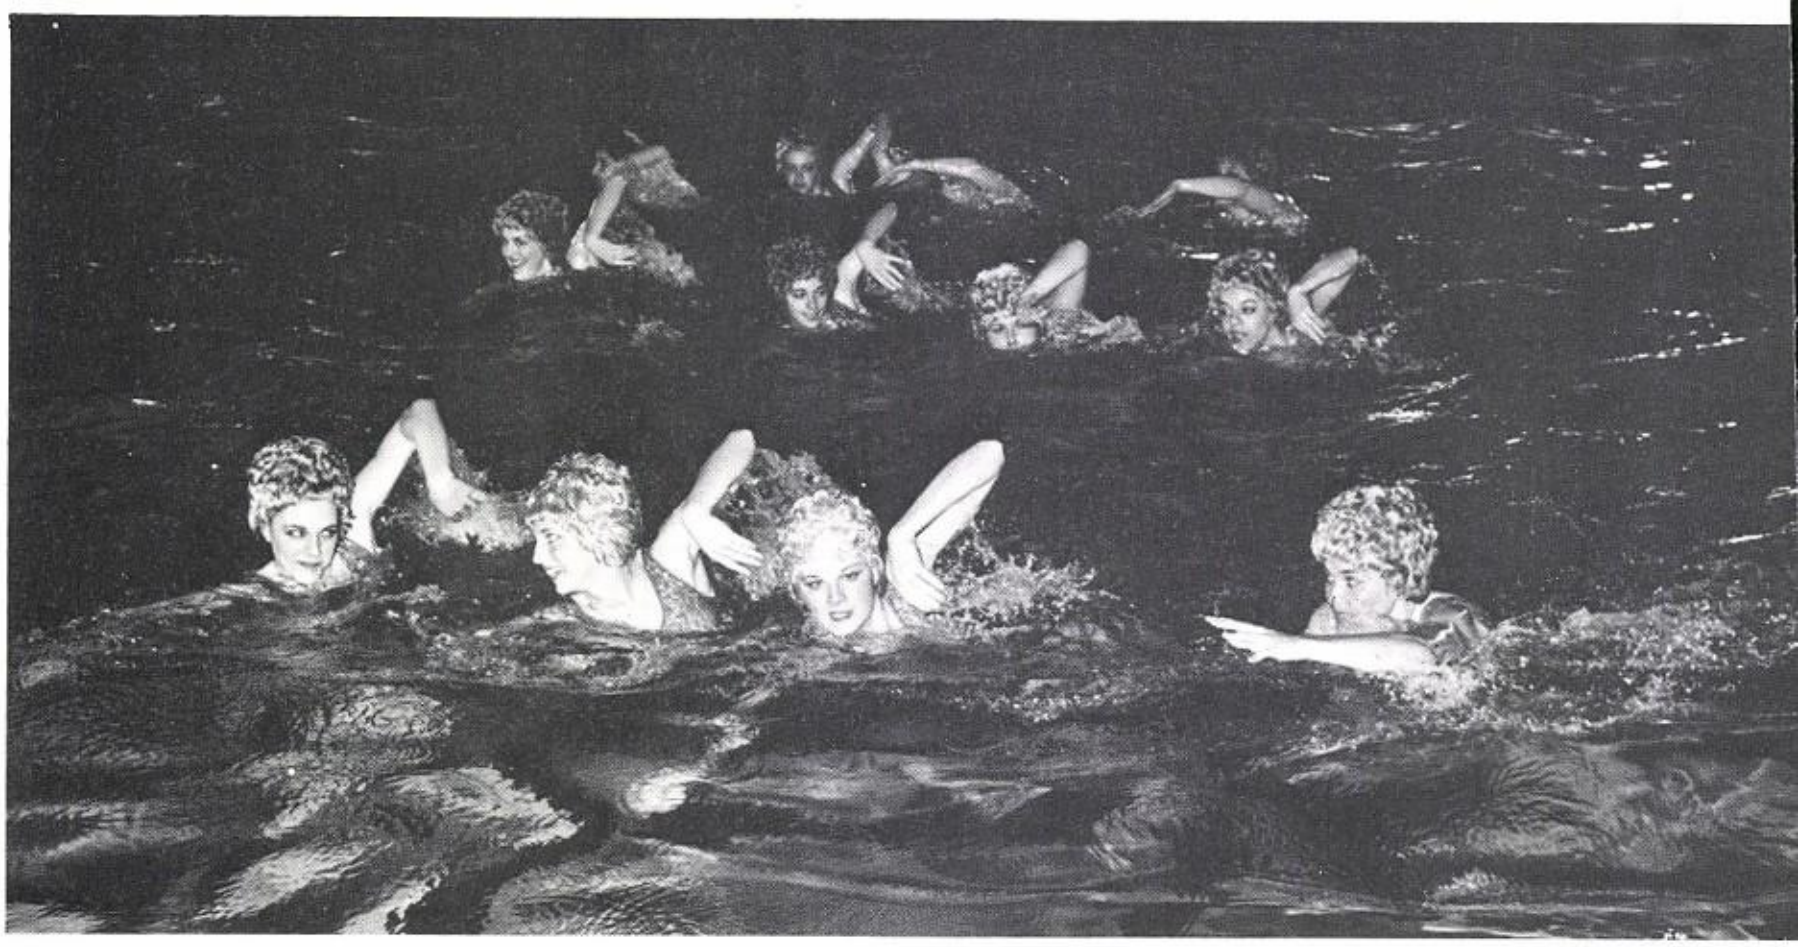


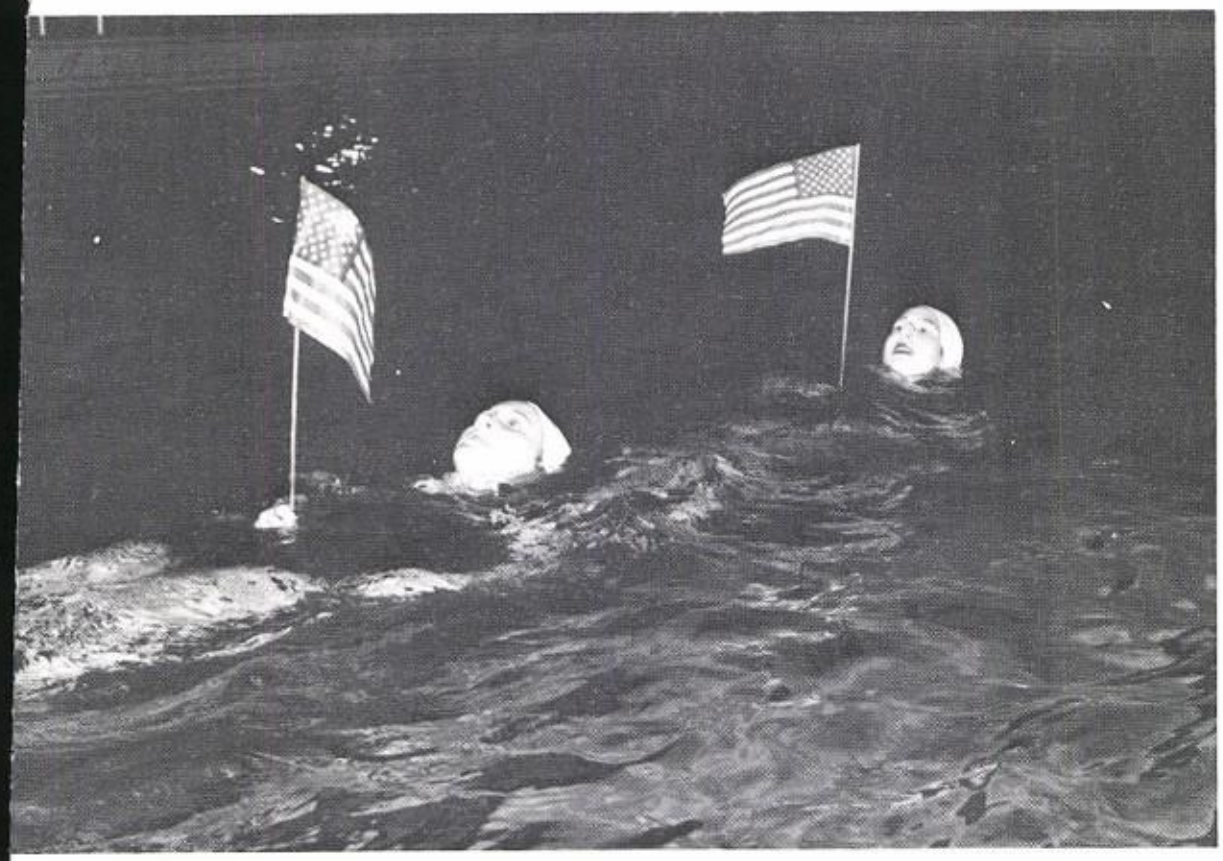












'Perfect Harmony'

The annual Aquiana show entitled "Perfect Harmony" was held on April 5, 6, and 7, 1973. The numbers in the show centered around the different people of the world and the idea of worldwide togetherness. The acts such as the Hawaiian hula, dragon from China, the Russian dance, and many more tried to convey this to the audience.

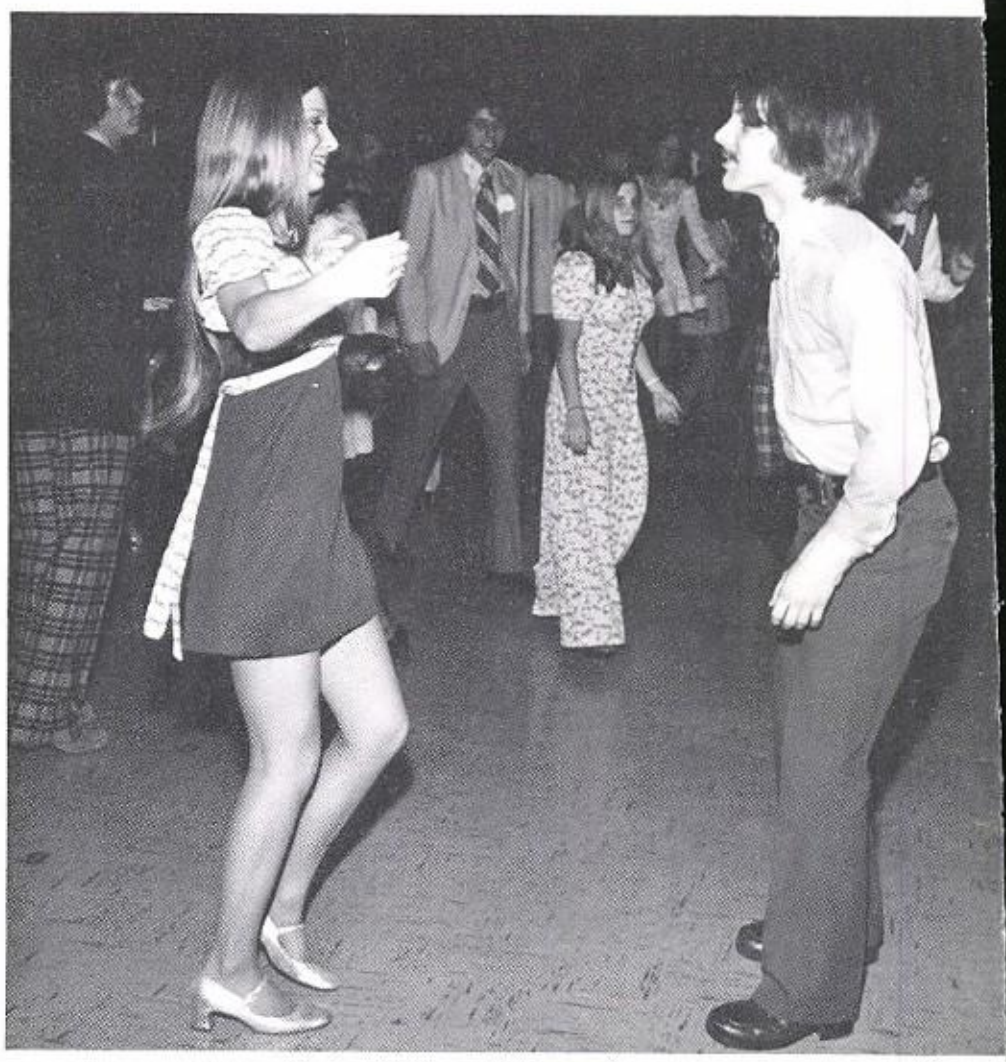
'You've Got a Friend'

This year's Girl's Choice Dance was entitled, "You've Got a Friend." It was held in the auditorium on March 2, 1974, at 8:30 p.m. The music was provided by Brotherhood Mountain. The group played a wide variety of music. This was one of the best attended annual turnabout dances Student Council sponsored.



'Every Bloomin' Thing'

"Every Bloomin' Thing" was the title of the annual fashion show presented by the Home Economics Department. It was held Wednesday evening May 9, 1973, at 8 p.m. in the auditorium. The stage was completely arranged in a garden of many blooming flowers. There was a big array of fashions, that the girls had made just about "every bloomin' thing."

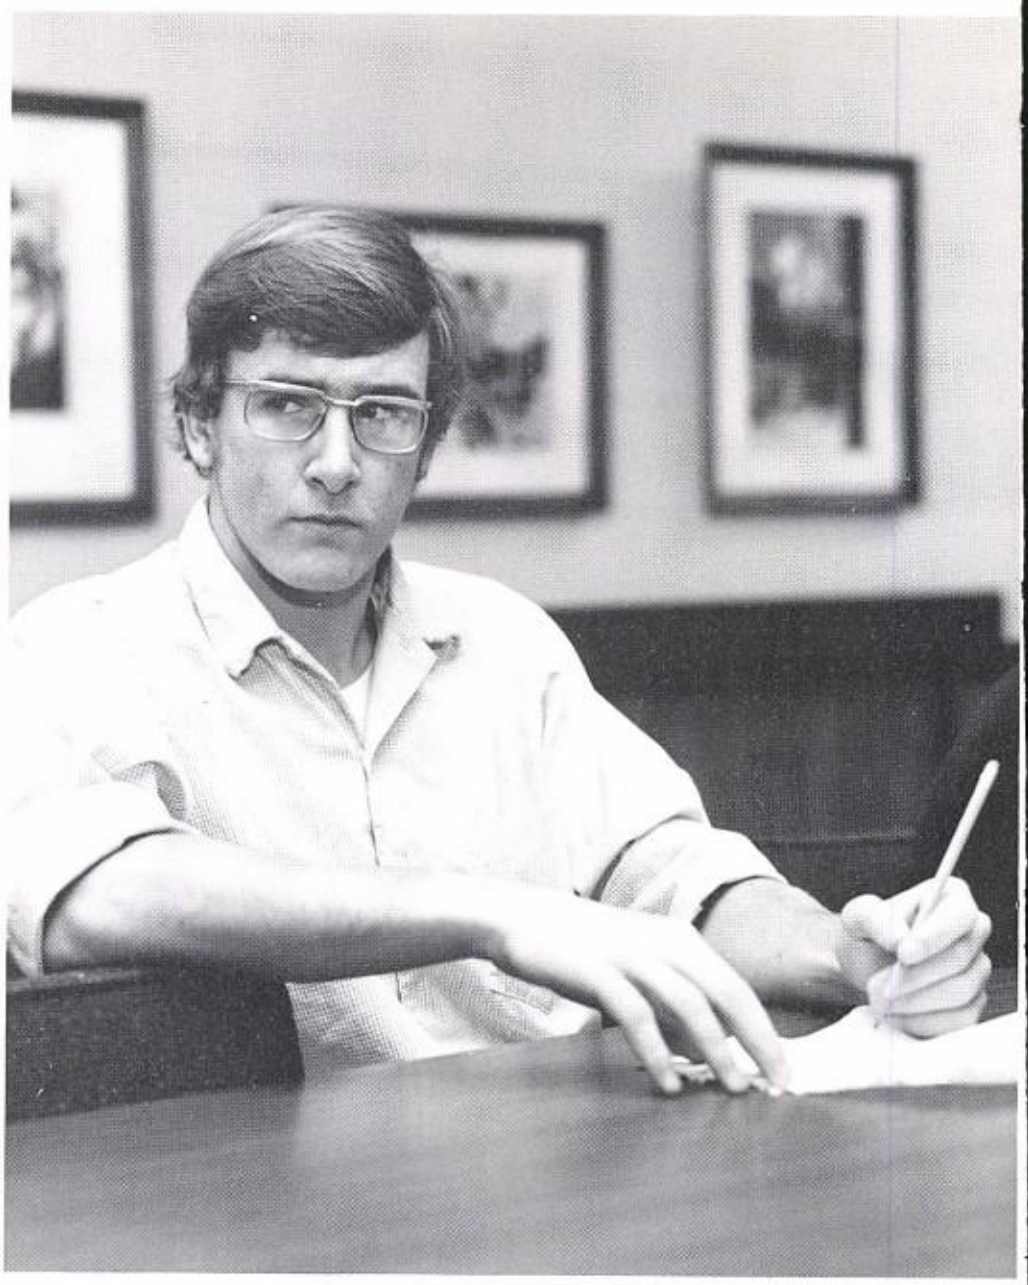
A.F.S.

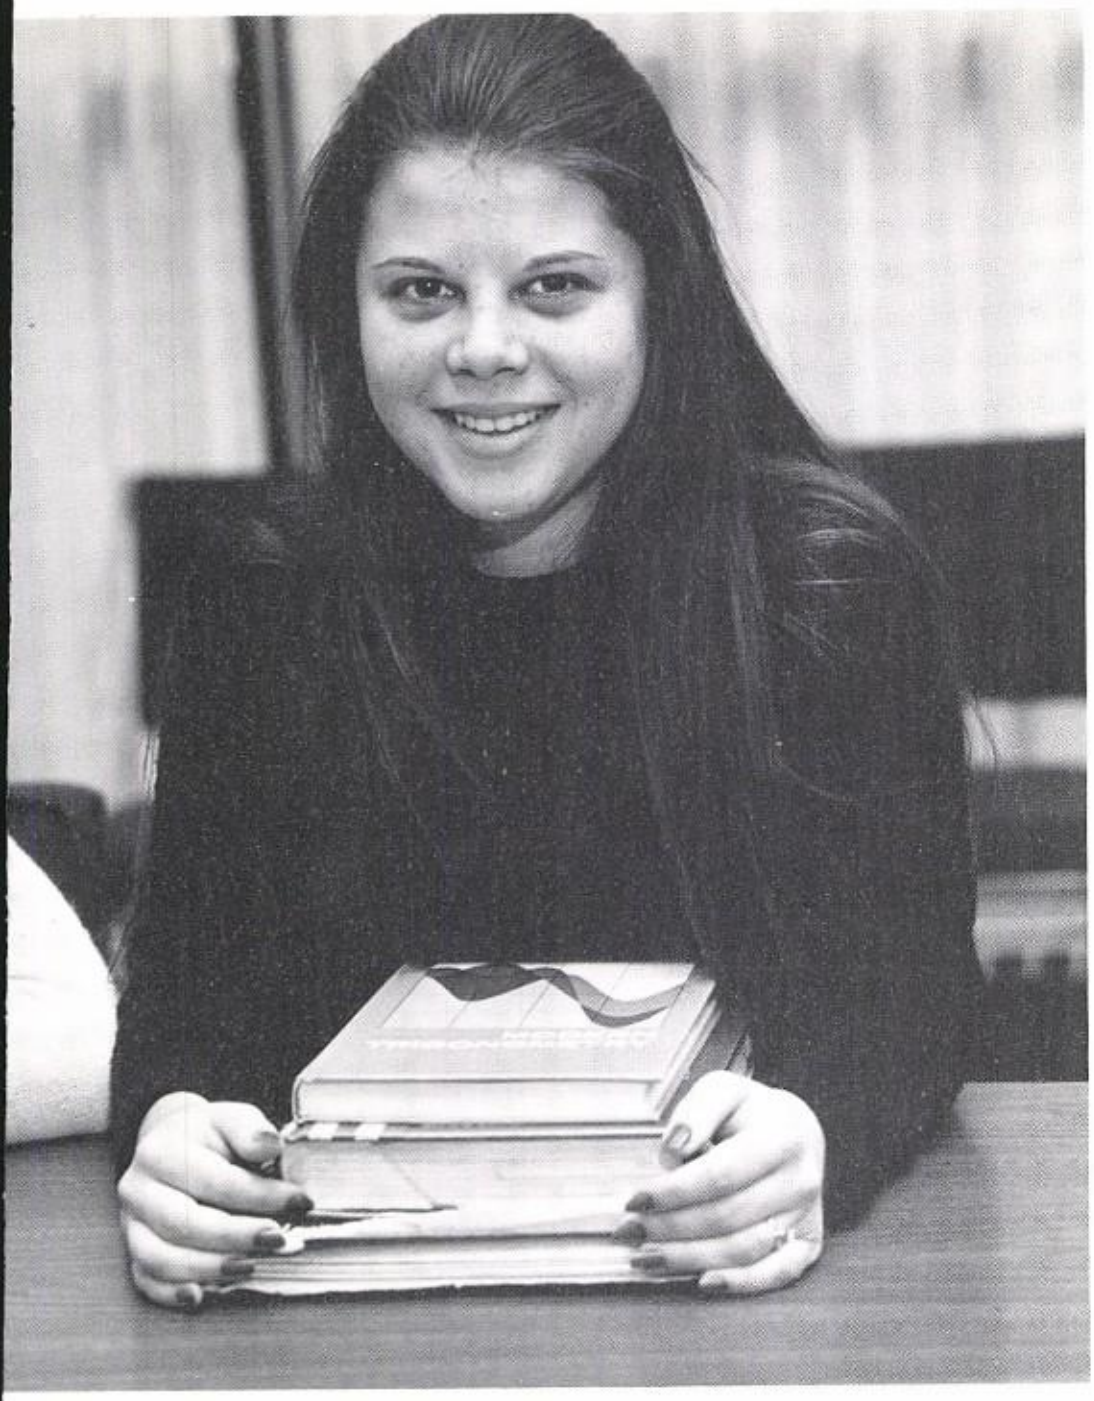
My name is Anthony Lloyd. I am one of the A.F.S. students at present attending Maine West. I come from a small city, Kimberley, in South Africa which is about the size of Des Plaines.

Many have been disappointed in my failure to relate stories of my experiences with Tarzan and the jungle animals, of the cannibals, and other hostile tribes. Life in South Africa, I must admit, is very like life in Des Plaines, though I cannot afford to ridicule any questions asked about South Africa. After all, what would you say when a foreigner told you that he had never seen snow or television or even eaten a pizza prior to his arrival in America?

My school life at Maine West has been most rewarding. I had graduated in South Africa and was not altogether looking forward to returning to high school. How wrong I was! I found out what it was to go to a school functioning without a system of corporal punishment, without a school uniform on, and best of all, what it was to be in a coeducational school of Maine West's caliber.

The most rewarding of all my experiences so far is coming into contact with the basic human sentiments of friendliness, happiness, and understanding in so many people in so many ways, in such a short time.





Exchange

My name is Maria A. Piccolo. I am one of your A.F.S. students. I was born in Guarari, Brazil. Now, my family lives in Sao Jose do Rio Pardo, a city in the state of Sao Paulo.

I am so happy to be in the United States. Since I have come here I have met lots of different people and learned many new things. I like very much Maine West. It is quite different from my own school.

In Brazil I went to school just in the morning, and the school year starts in March and goes to November. You only get July off. I don't have the same classes every day, and I cannot choose the subjects I want to take.

The biggest difference is that in Brazil we speak Portuguese and here you speak English. I had a hard time when I first came; but now, I think that everything is okay.

I am so lucky because I met lots of nice people, and my American family is really good. This year is a great experience living with them. In Brazil I am an only child, but here I have a sister, Diane, and a brother, David. I just love my American parents, Mr. and Mrs. Hawks.

I have lots of friends in Maine West. I am really very happy.

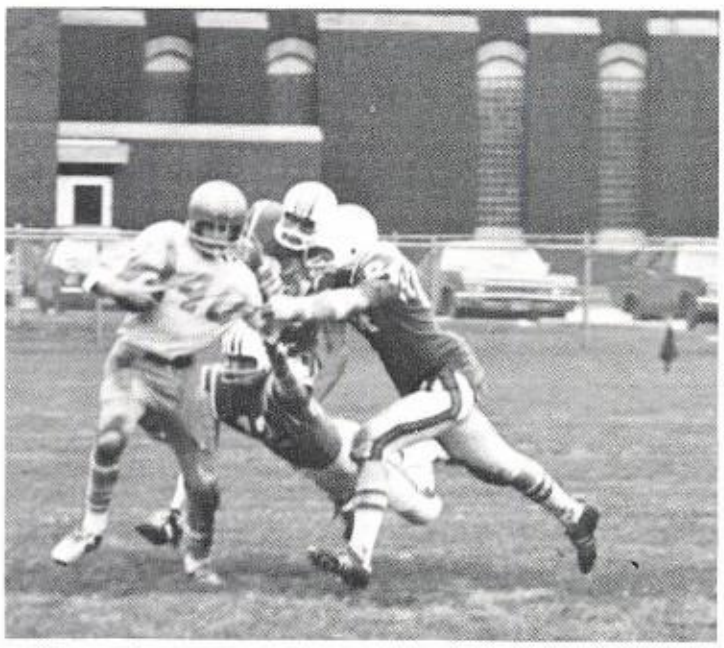
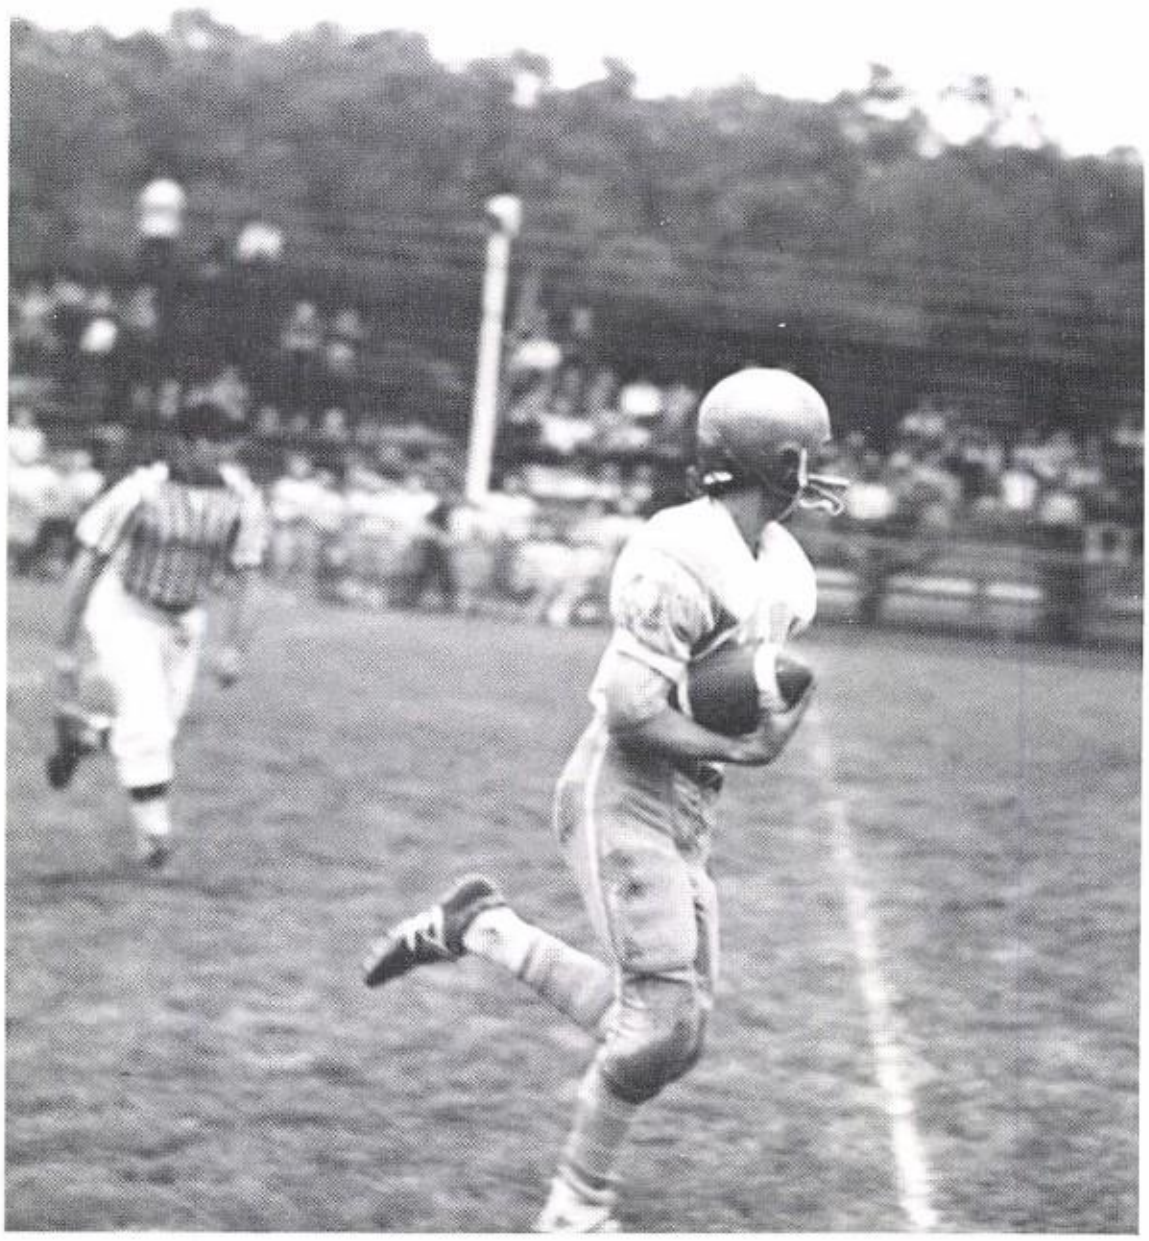
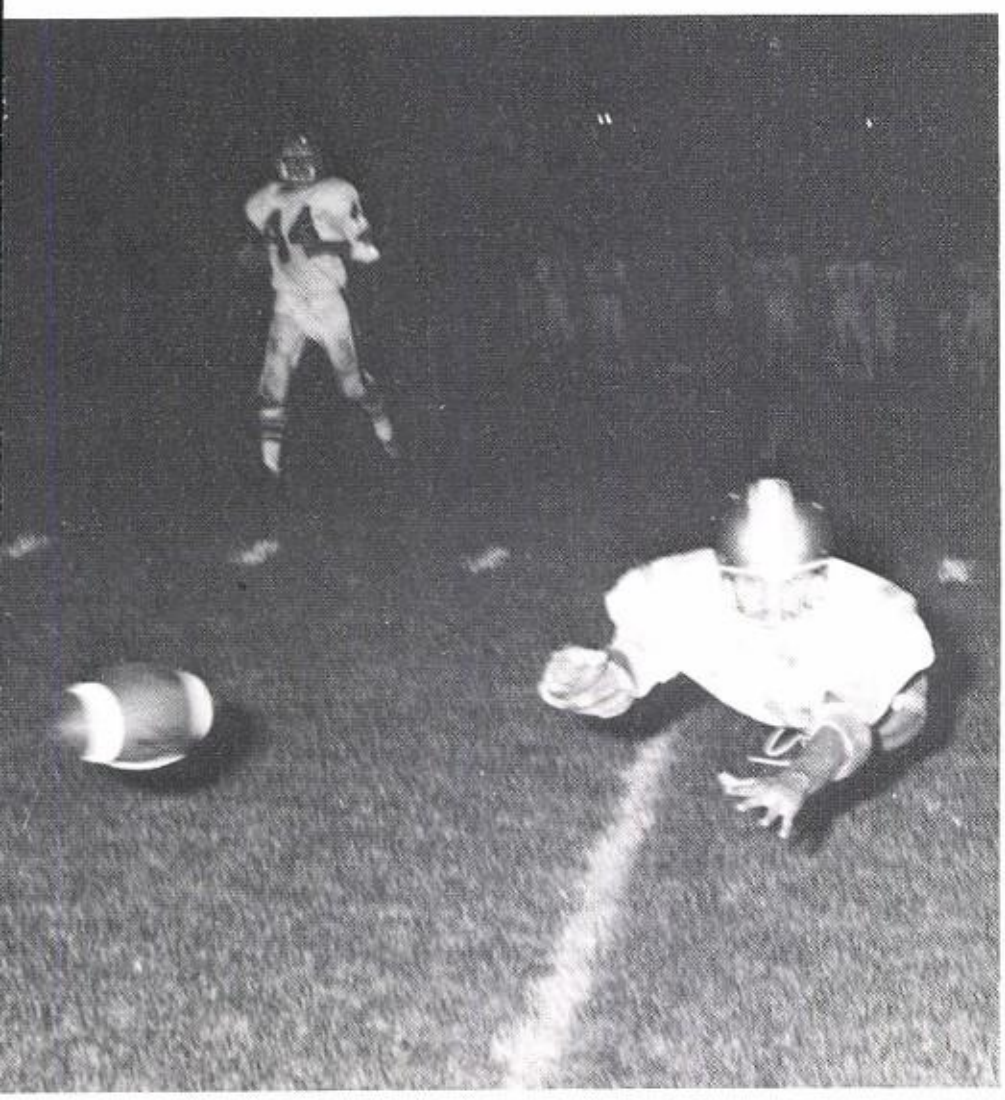
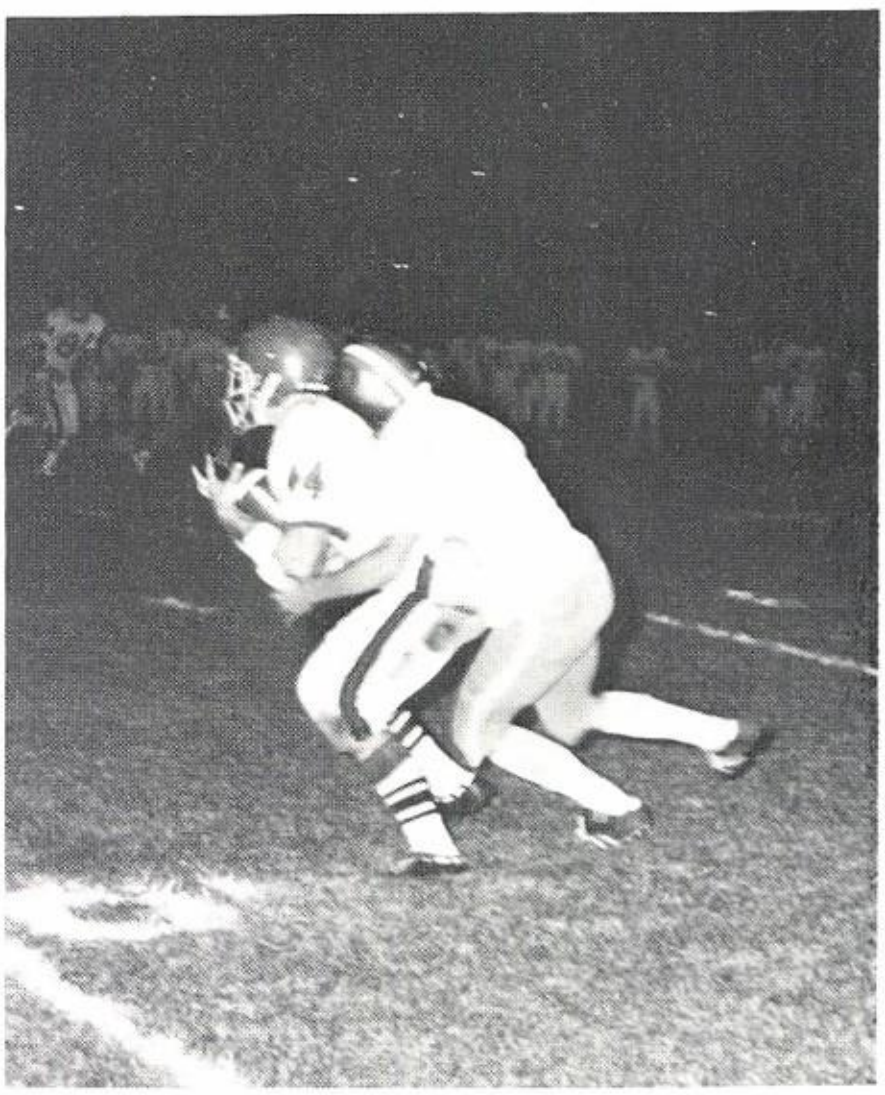
Football

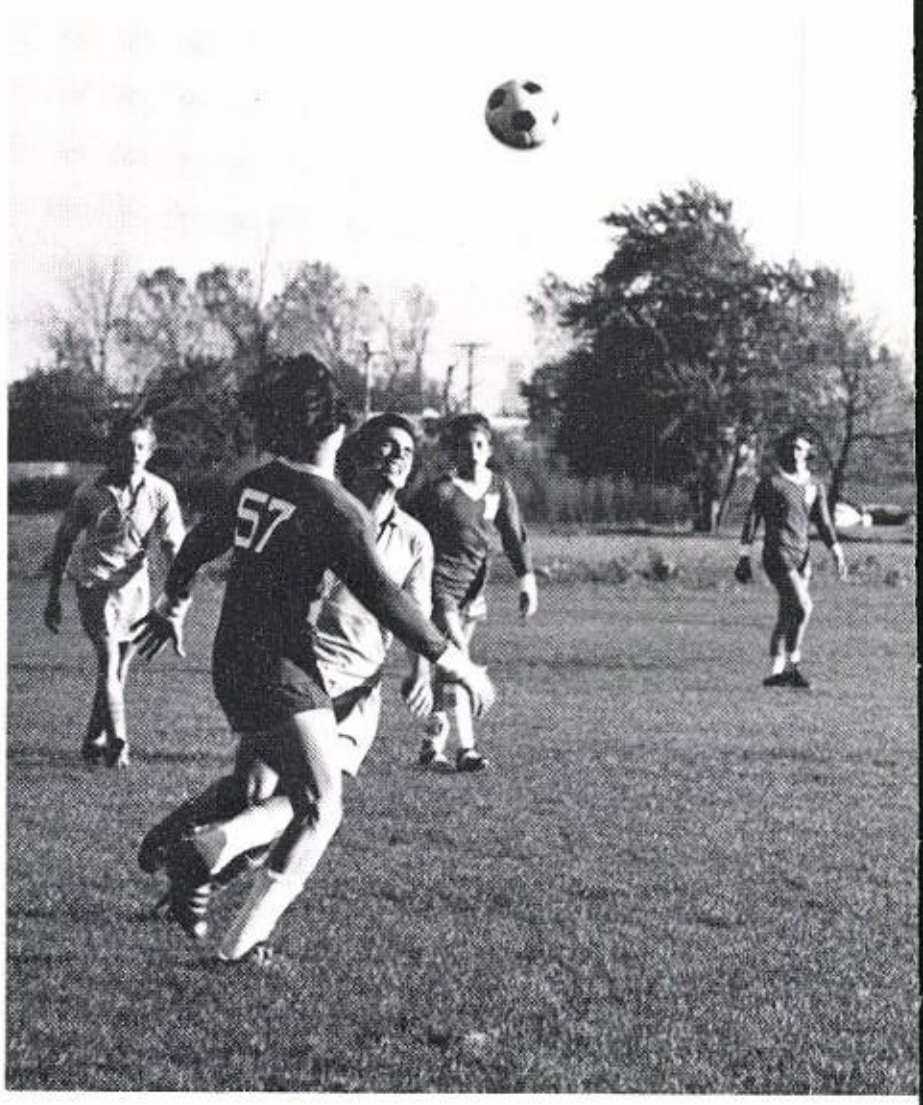
The 1973 season saw the Warriors play with the spirit and desire that won them the admiration of opposing players and fans. It began with the Warriors winning the first overtime football game played in Illinois state history by defeating rival Maine South 21-14 and dumping the highly ranked and undefeated Niles West 21-20. The season produced some outstanding individual performances. Dan Myszka's forty carries for 214 yards against Maine South gave him a total of over 700 yards for the year. John O'Connor led the team in scoring and tackling for 1973.









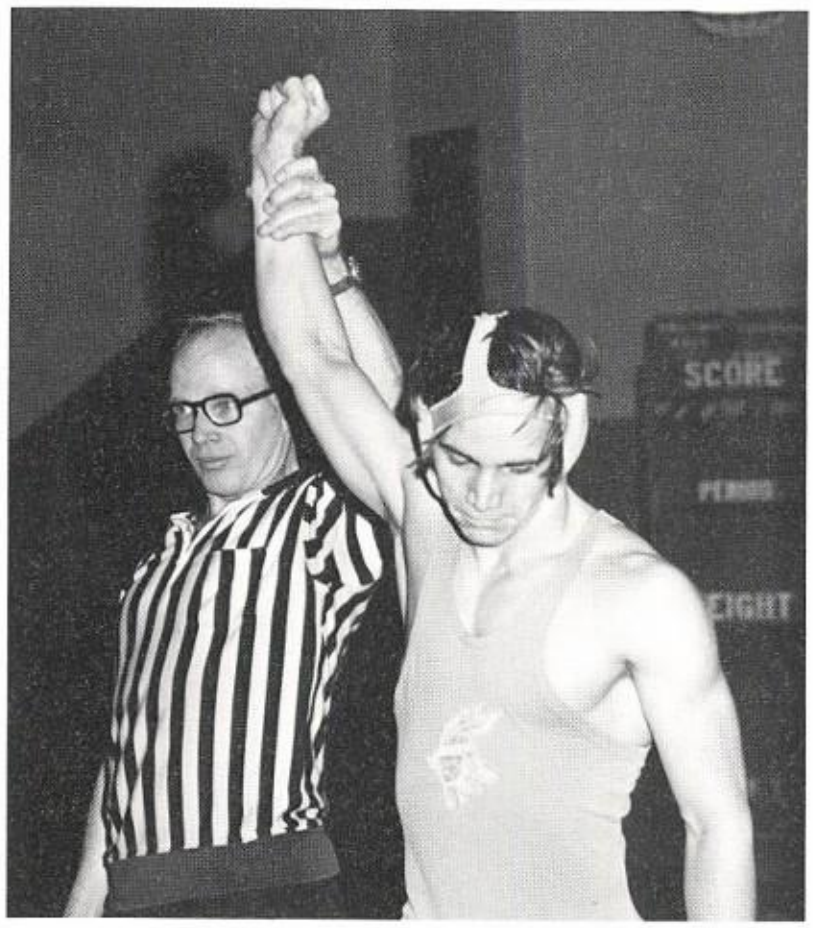


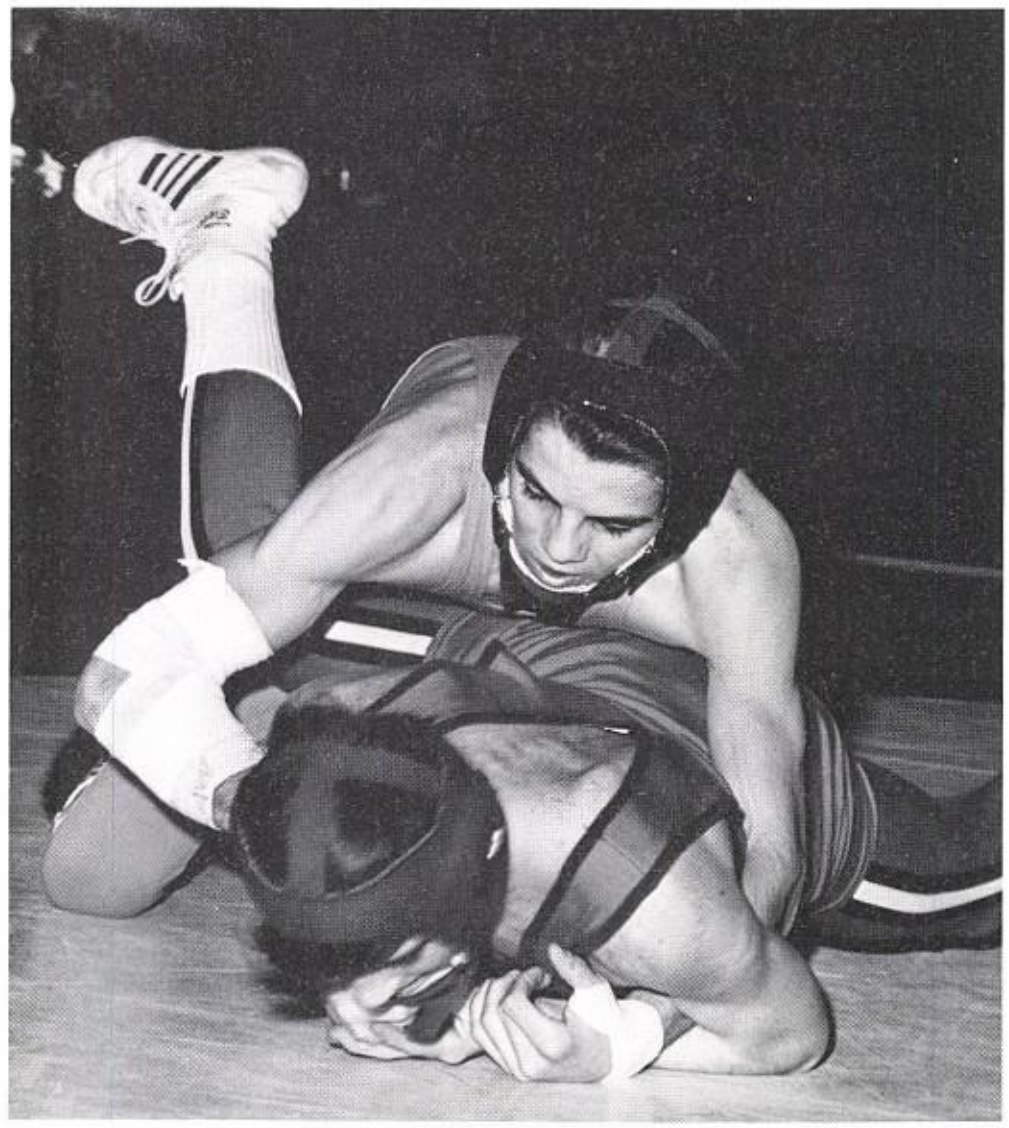
Soccer

The 1973 season was characterized by a difficult schedule which pitted a relatively inexperienced Warrior squad against some of the top teams in the state, at times playing three games in four days. The Maine West kickers played well and succeeded in giving good competition to all of their opponents. It was truly a building year in which we began with only three returning lettermen but developed a team capable of beating Niles East at a time when they were ranked sixth in the state. Our defense was anchored by Senior Captain Steve Jacobsen, Senior Captain Steve Niles (All-Conference), and All-Conference Halfback Norm Hillner. Our scoring thrust was provided by juniors Peter Solarz and Bill Georgepoulos.

Cross Country

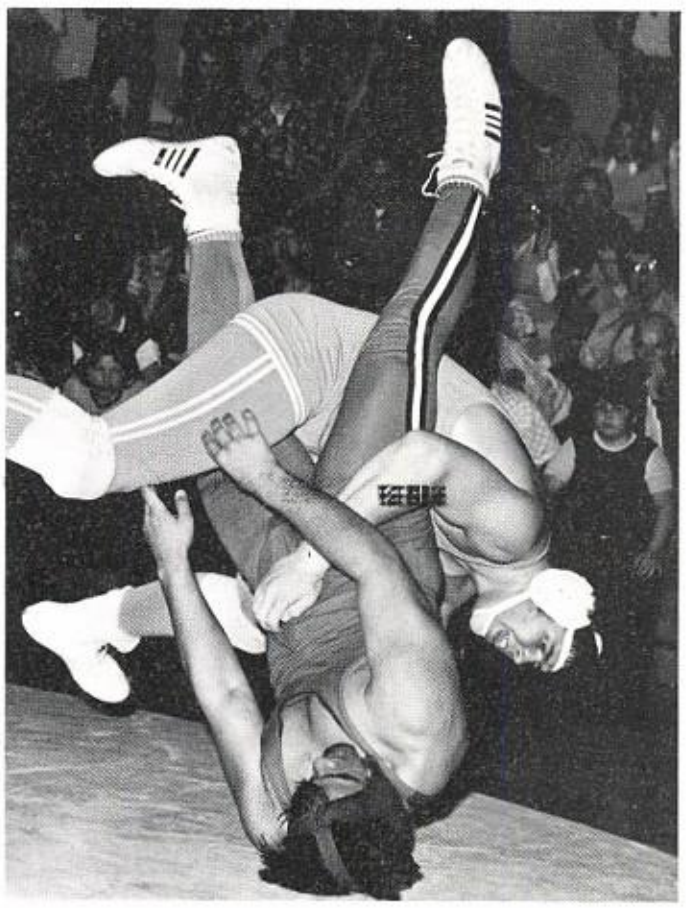
The 1973 team added a good deal to the Maine West tradition of fine cross country teams. The team was made up primarily of seniors but received a lot of help from juniors Joe Paul and Paul Mademann. Together they ran to more victories than any previous Warrior team, shut out their opposition seven times, and became conference champions. Paul Frost, Greg Klebe, Glen Oland, Kevin Skahan, Brian Dunavant, Joe Paul, and Paul Mademann made the all conference team. Junior Joe Paul was voted most valuable by his teammates, and seniors Glen Oland and Greg Klebe were elected co-captains.

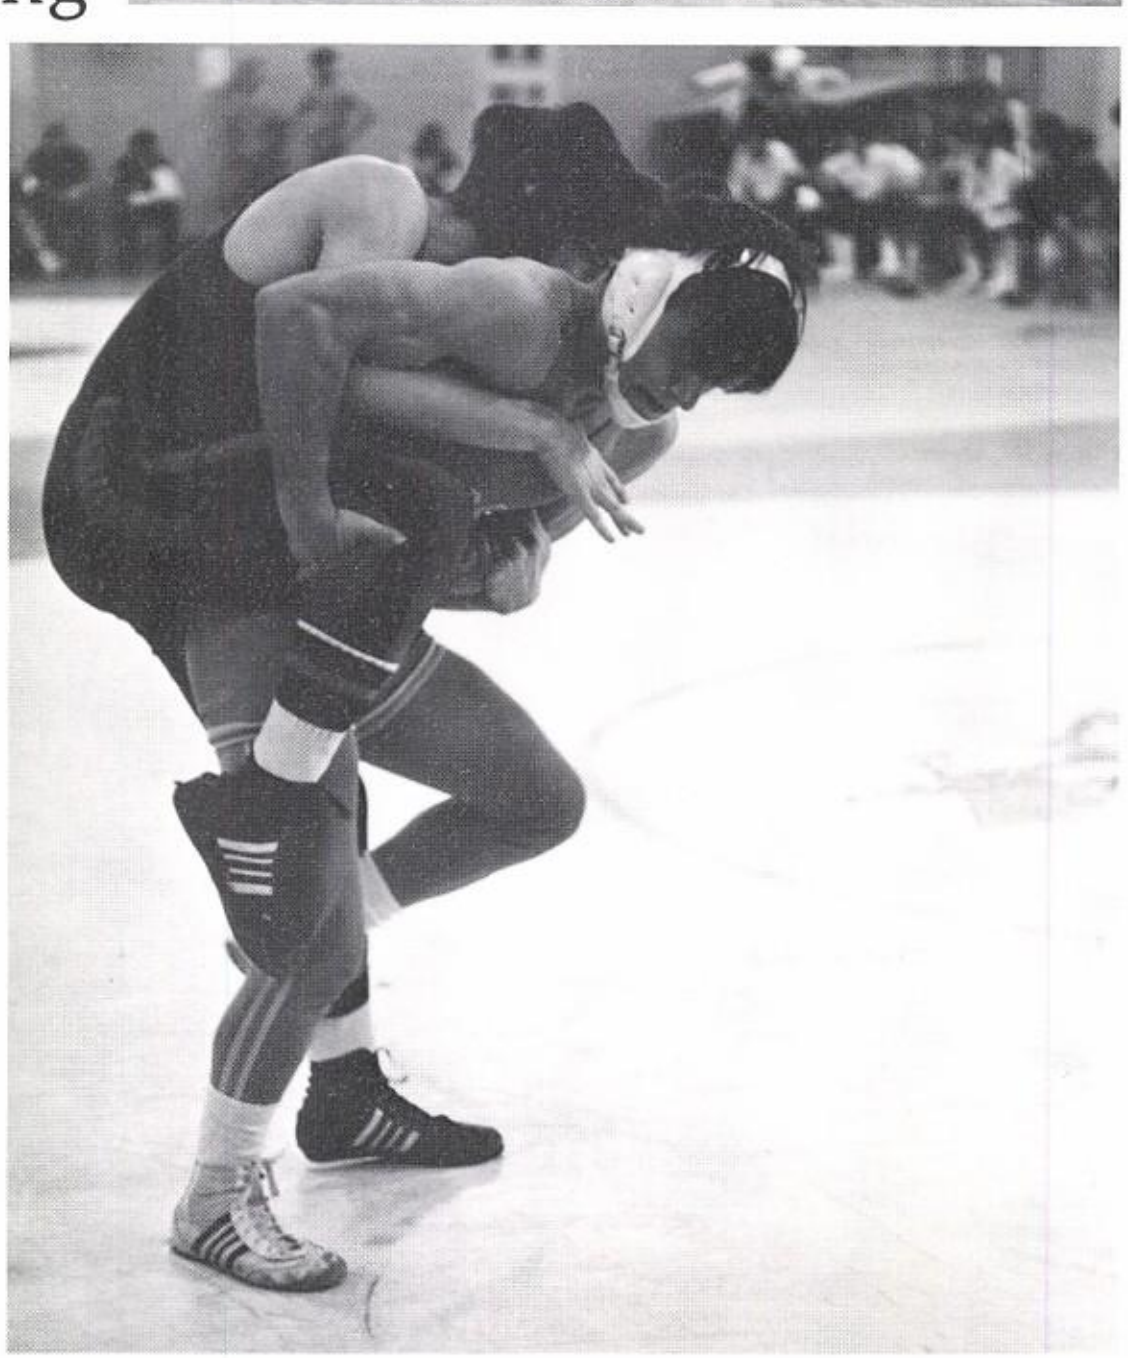


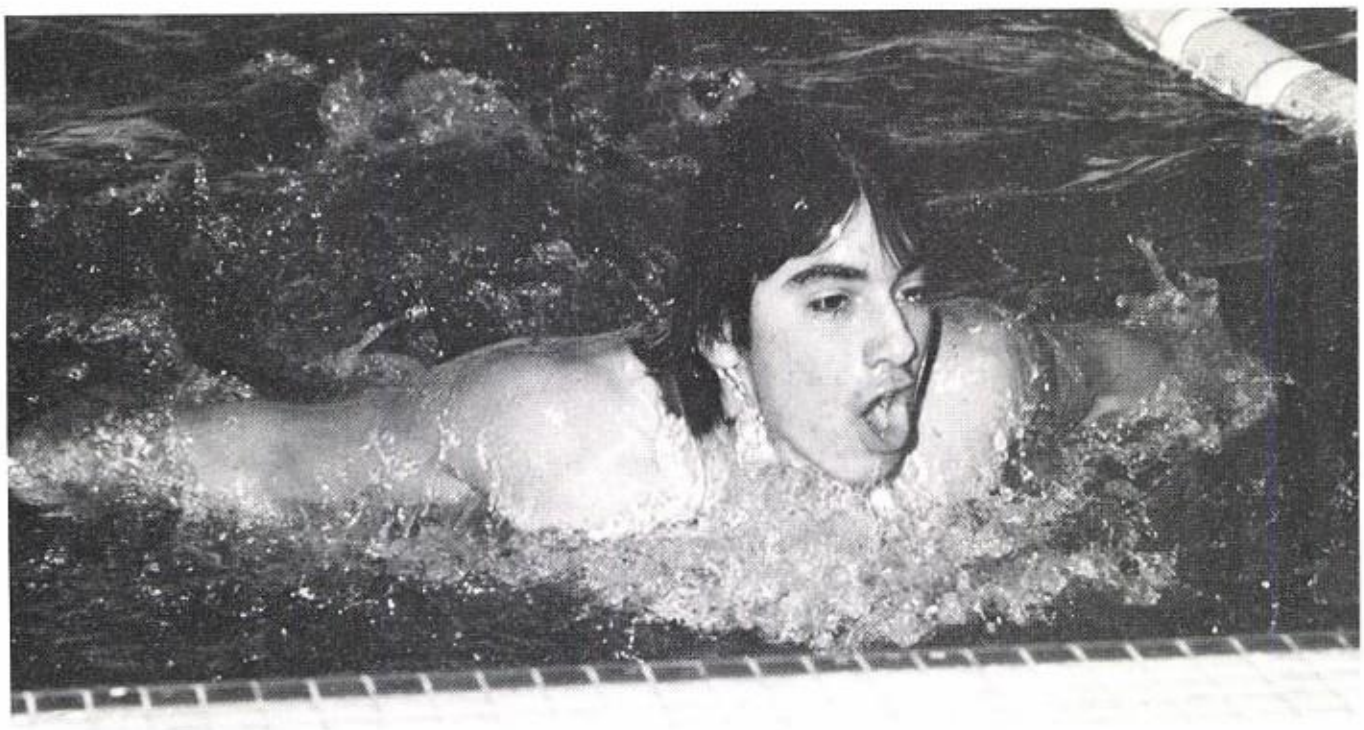


Wrestling

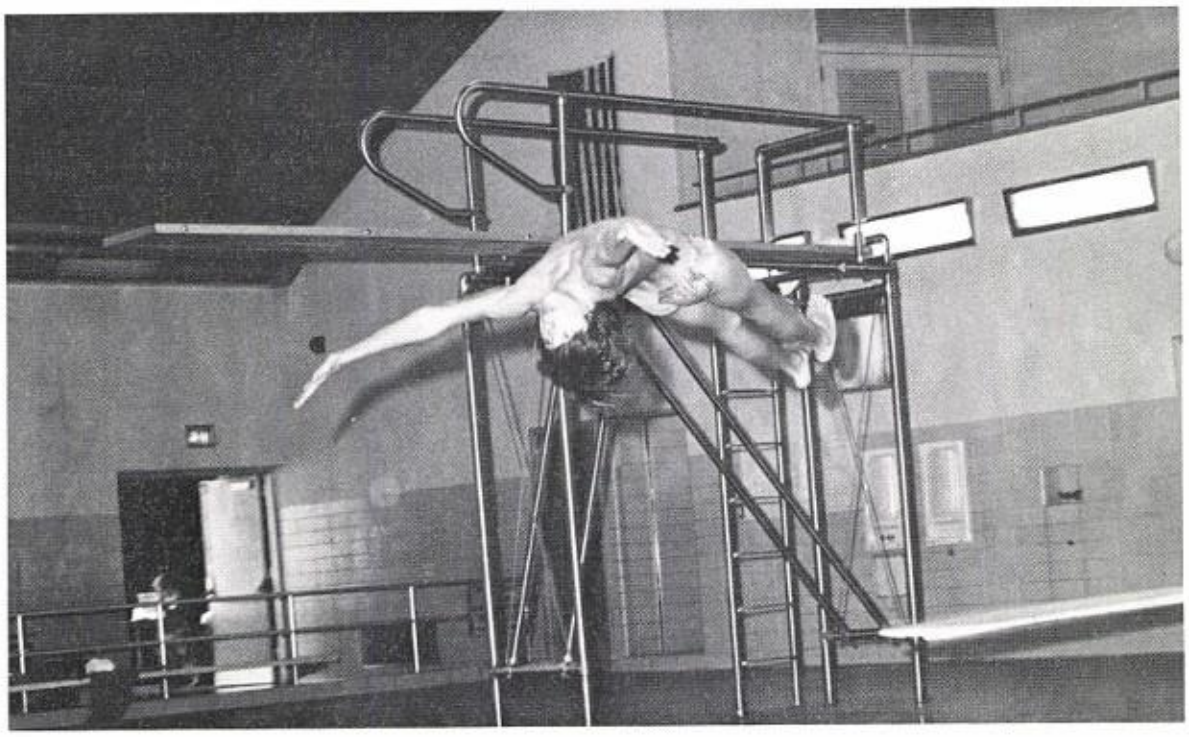
This year's varsity wrestling squad turned in a better than expected record. Though hampered by numerous early season injuries, squad depth permitted them to maintain a strong line-up throughout the season. The team was very young because only two seniors wrestled regularly. Seven juniors and three sophomores filled out the rest of the squad. They ended the season with a 12-4 record, winning the last six meets in a row.

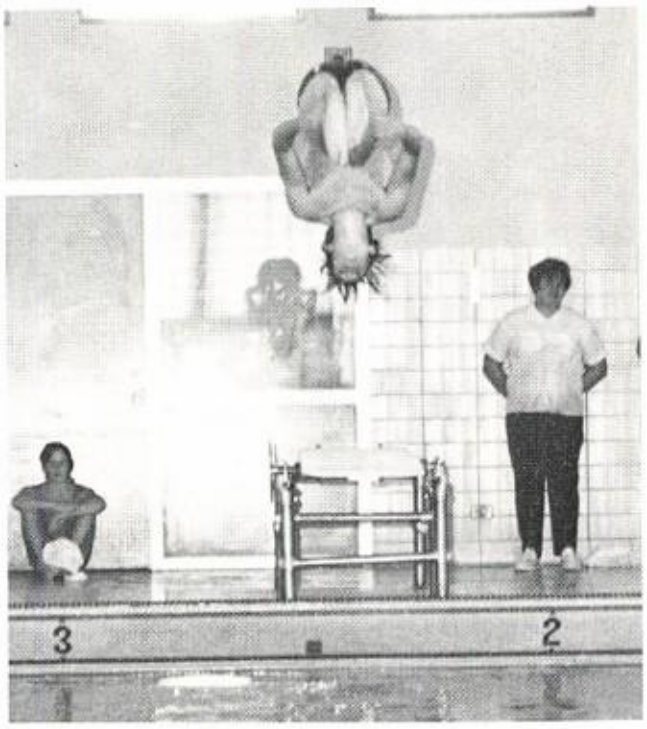


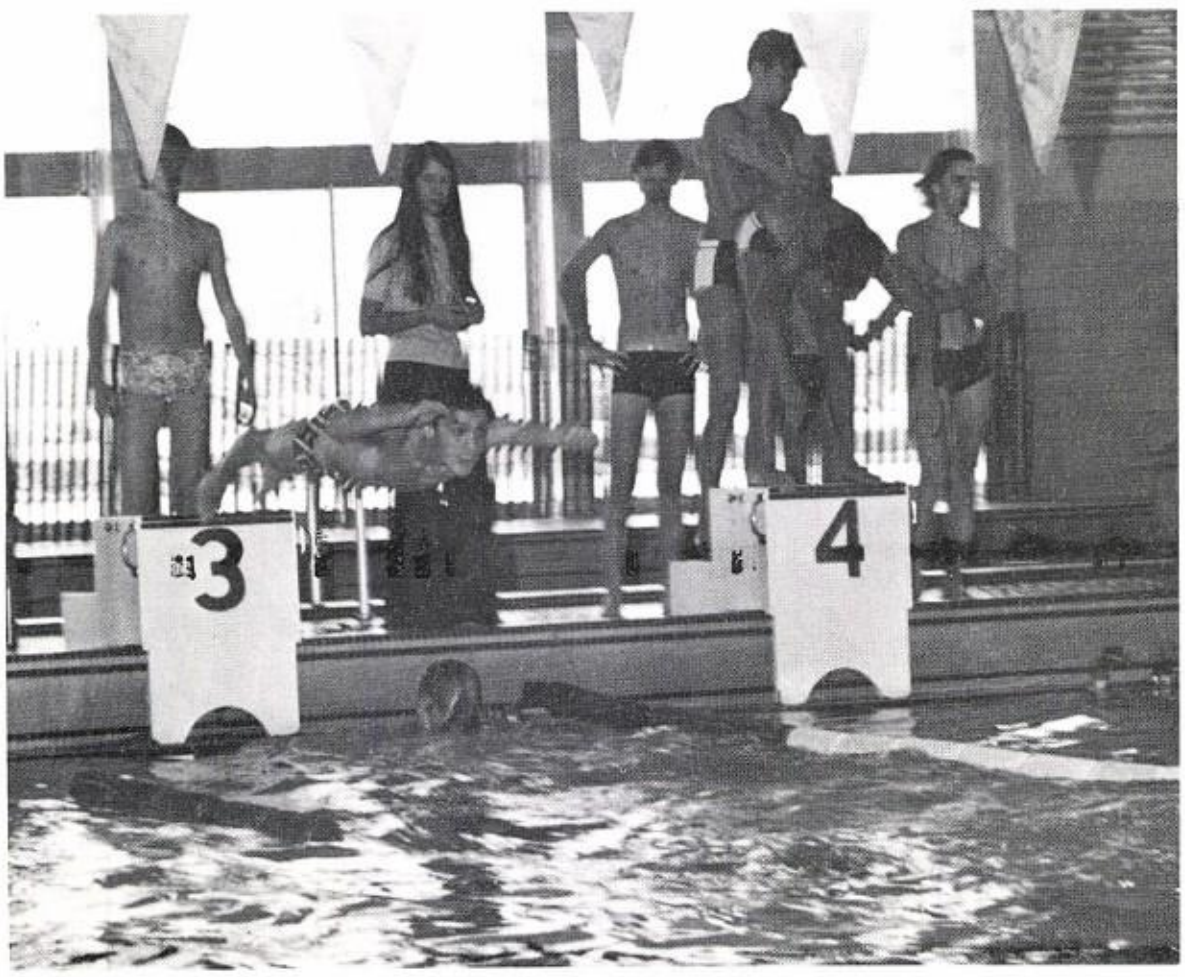


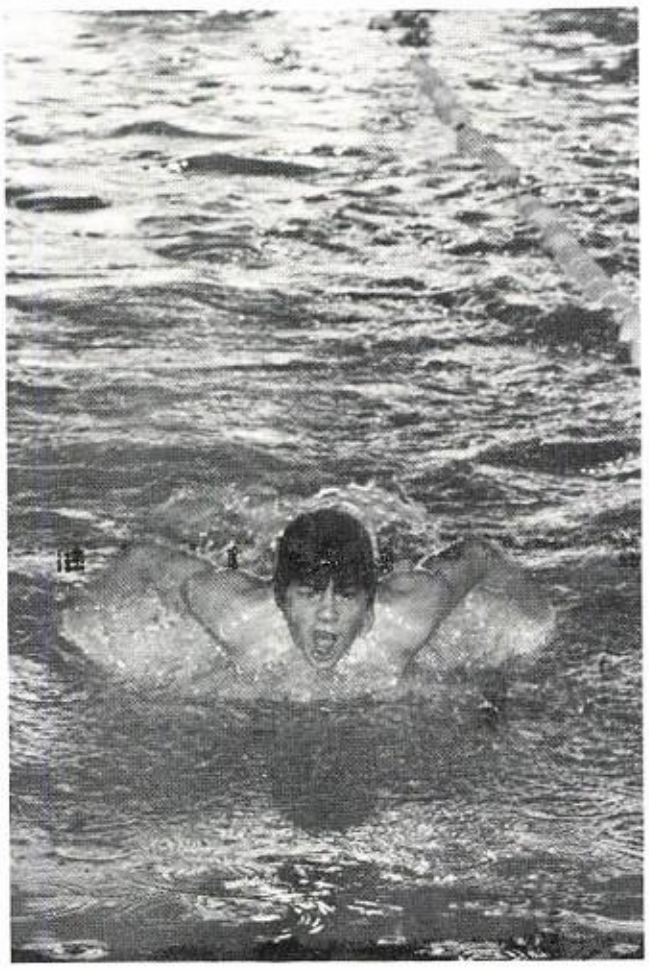


Swimming

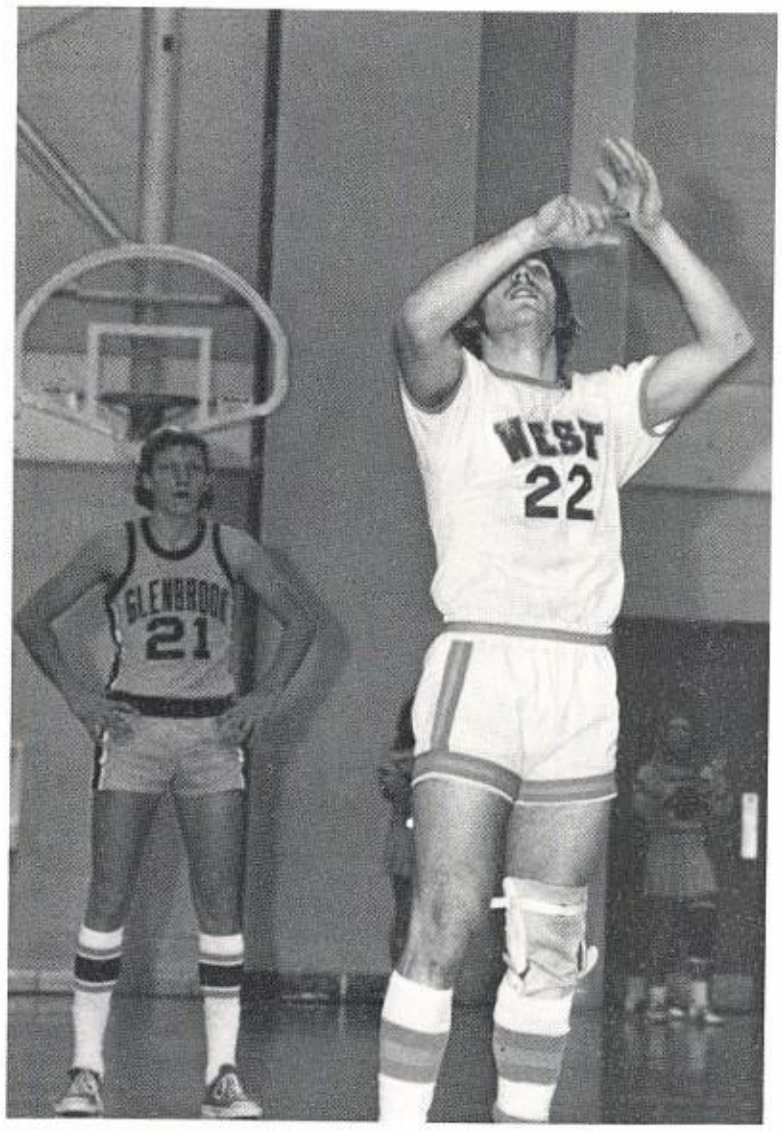


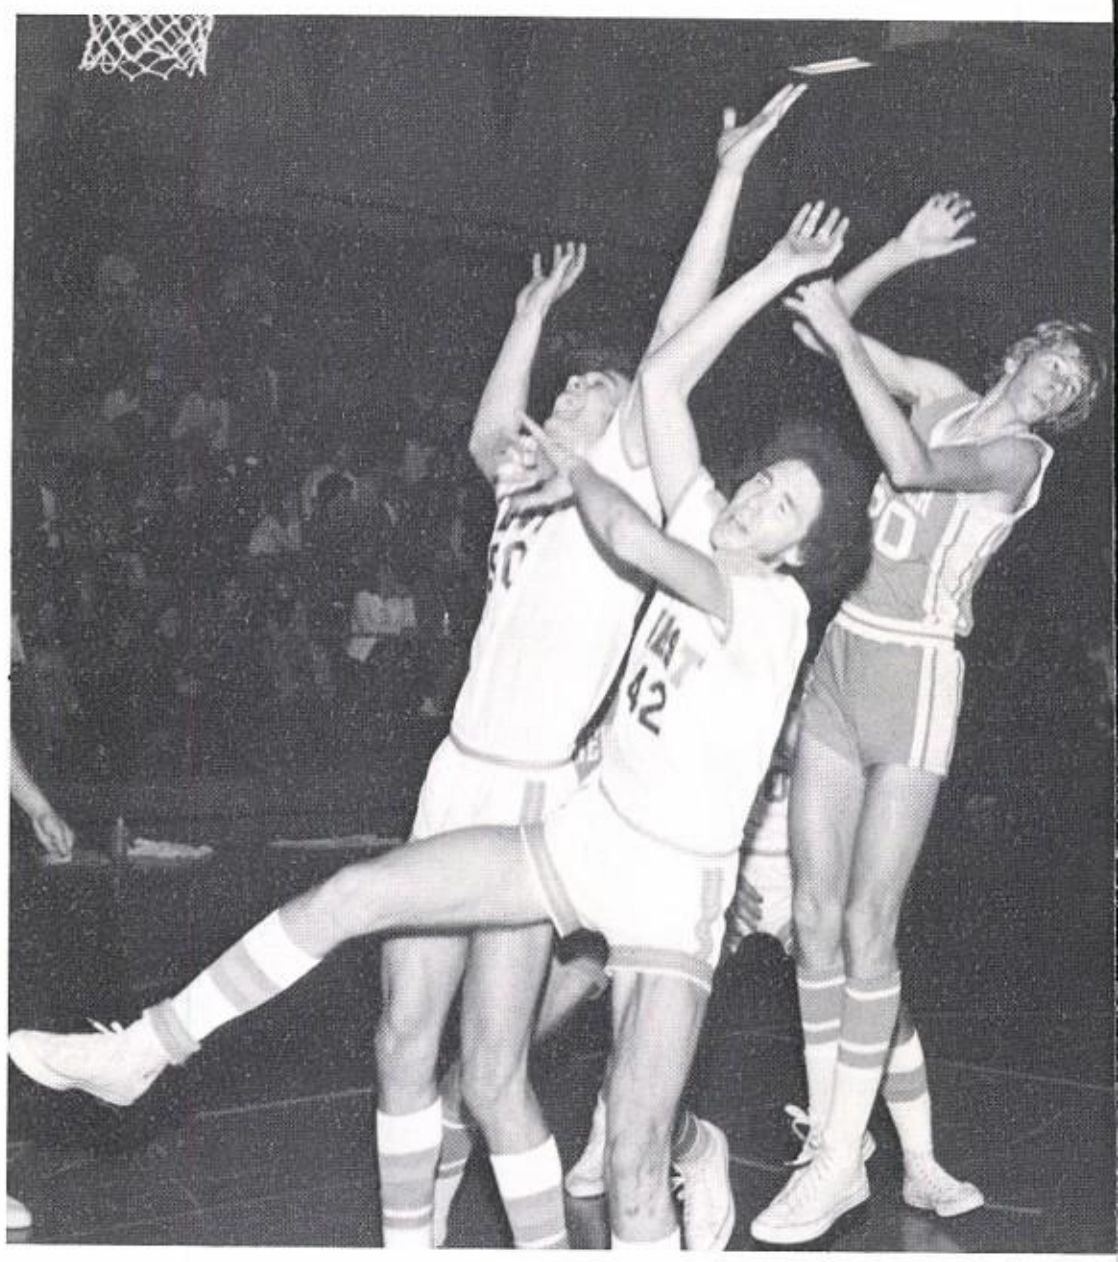






Basketball





Despite a losing record, this year's basketball team played some good ball games. Maine West won two exciting overtime games to Libertyville and Niles North. Along with returning letterman Doug Myers '74, other high scorers were Glen Heiden '75, Bill Makuch '75, and Steve Zuccarini '75.

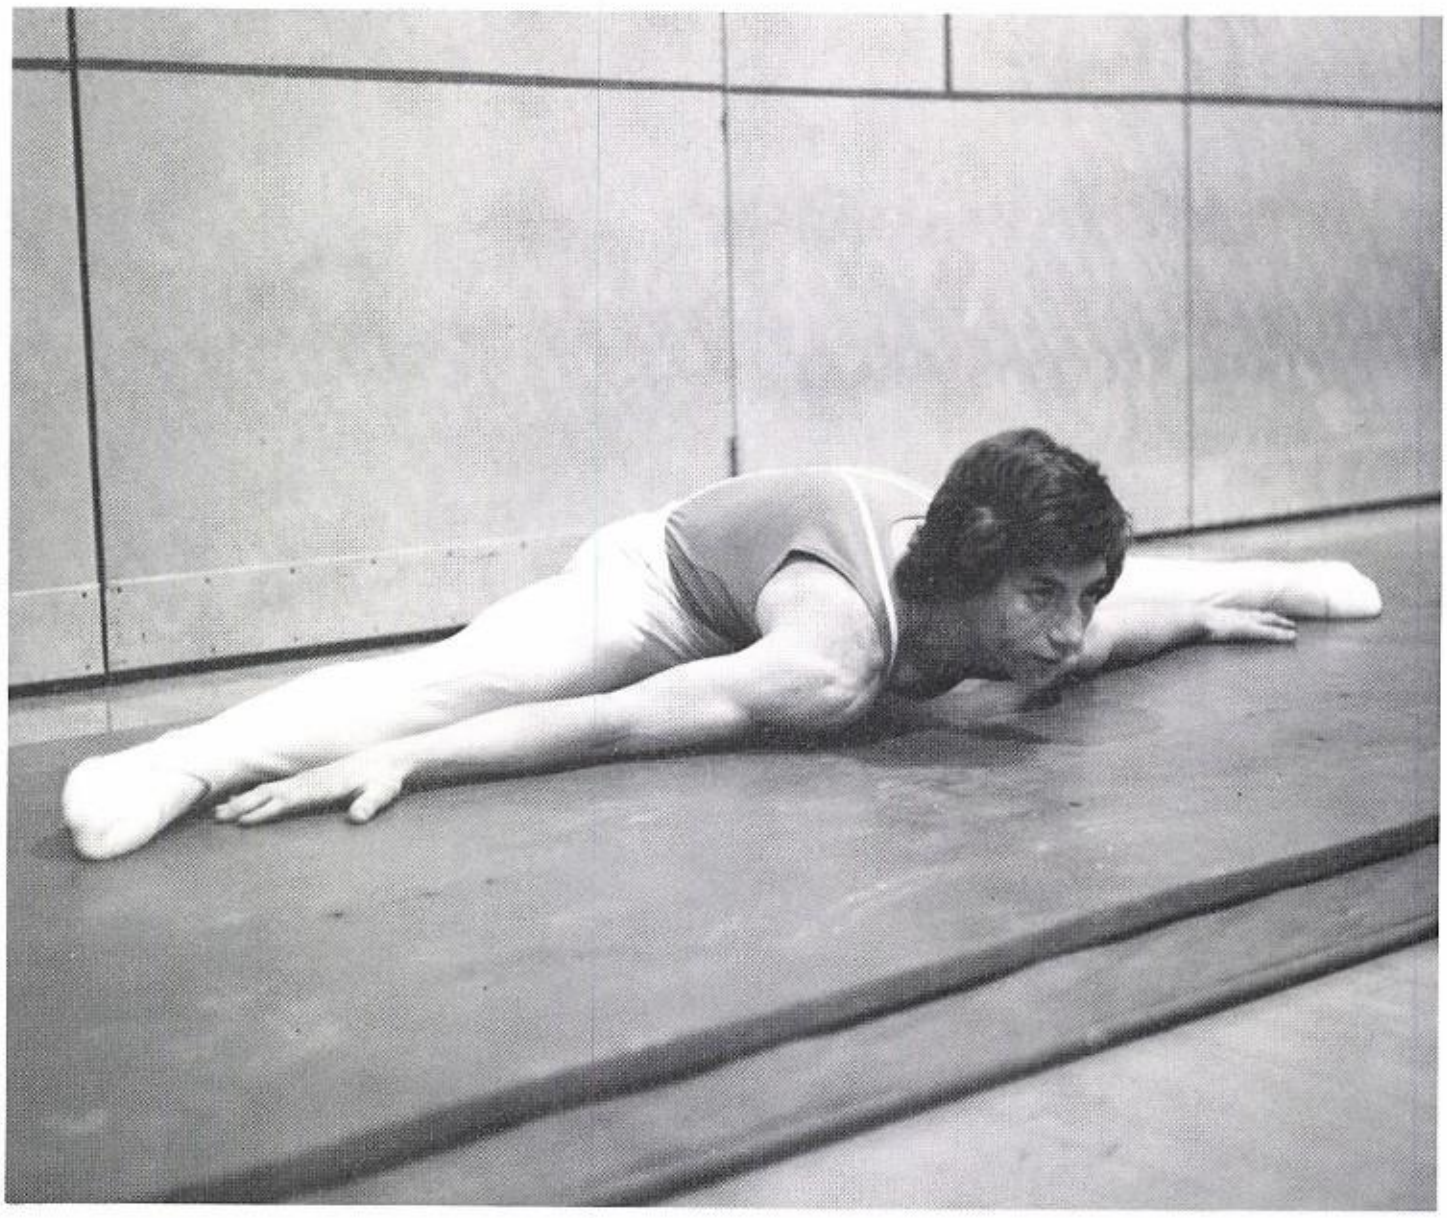
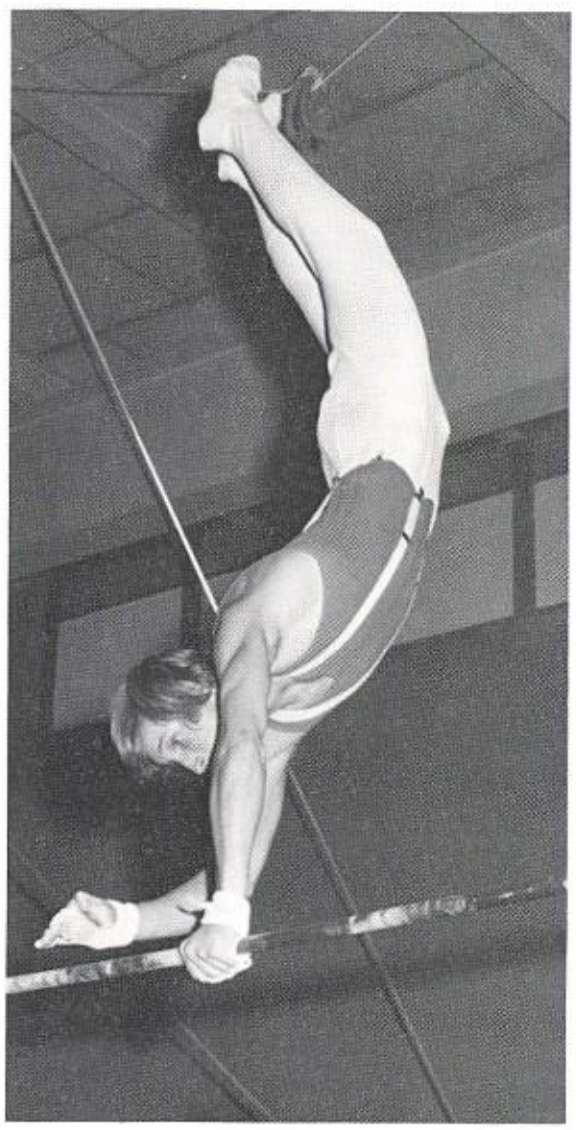
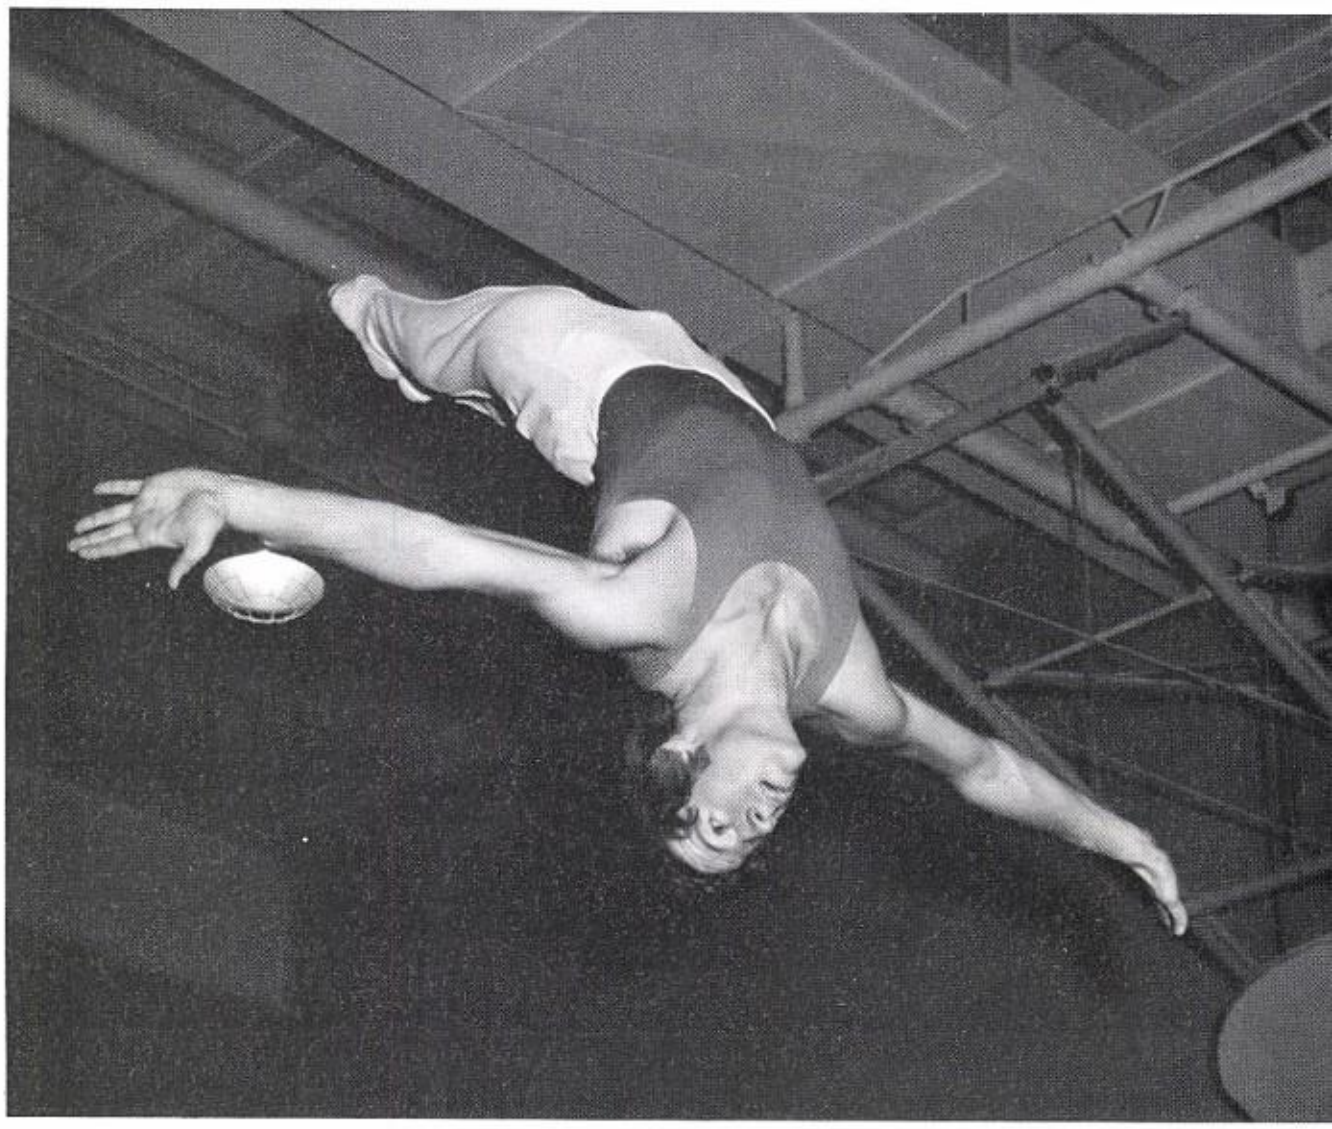
Gymnastics

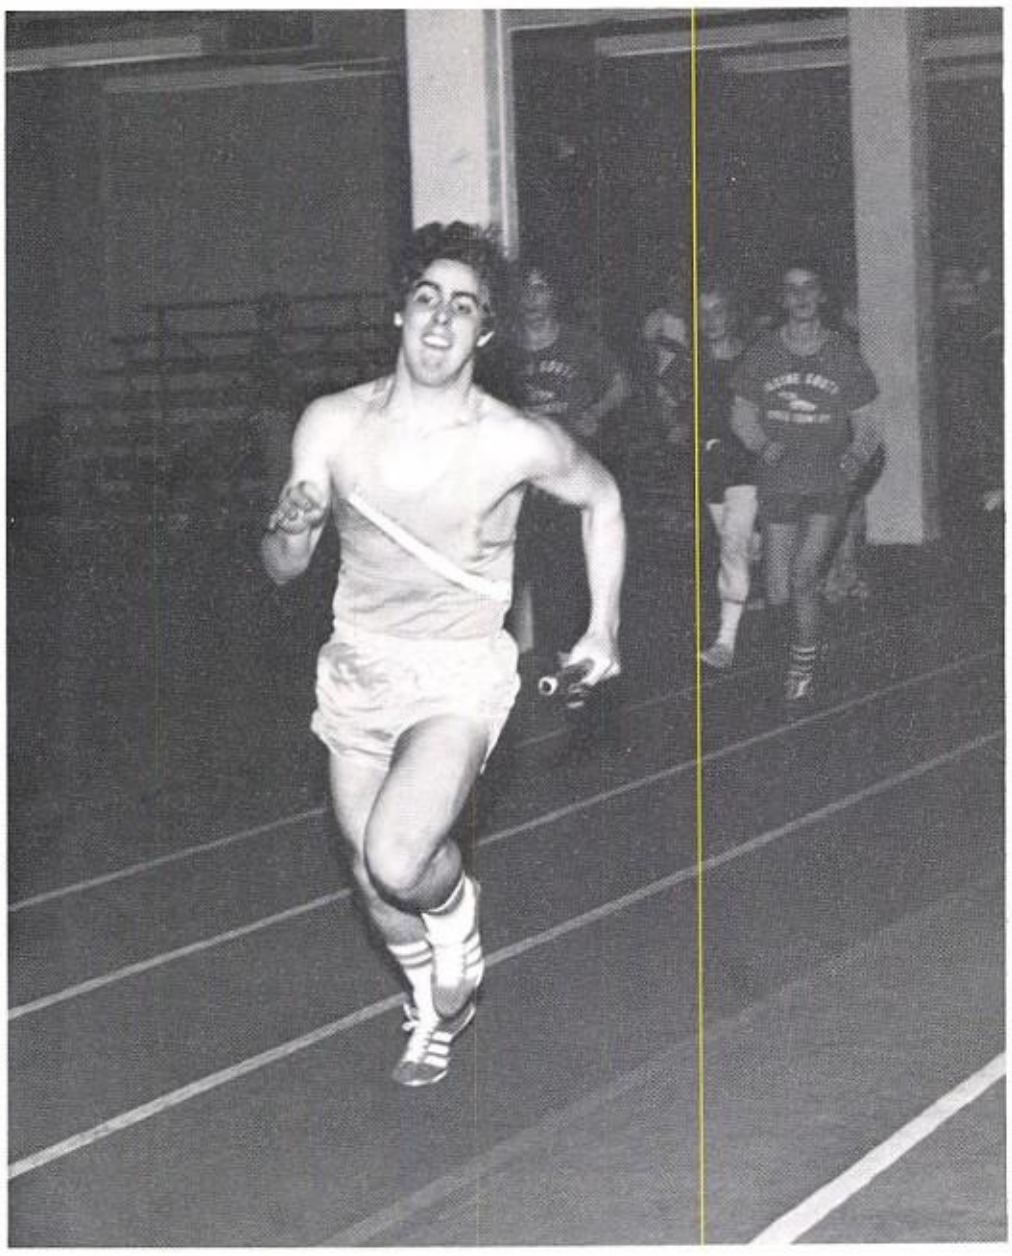
The Maine West Gymnastic Team finished its dual meet schedule with four wins and ten losses. The team progressed about as expected after the slow start at the beginning of the season. They averaged 98.18 the last seven meets, breaking 100 twice, hitting 104 in their last meet against Maine East.

Mark Schuldt finished the season ranked fourth in conference on floor exercise and represented Maine West at the conference meet at Niles East on February 14.

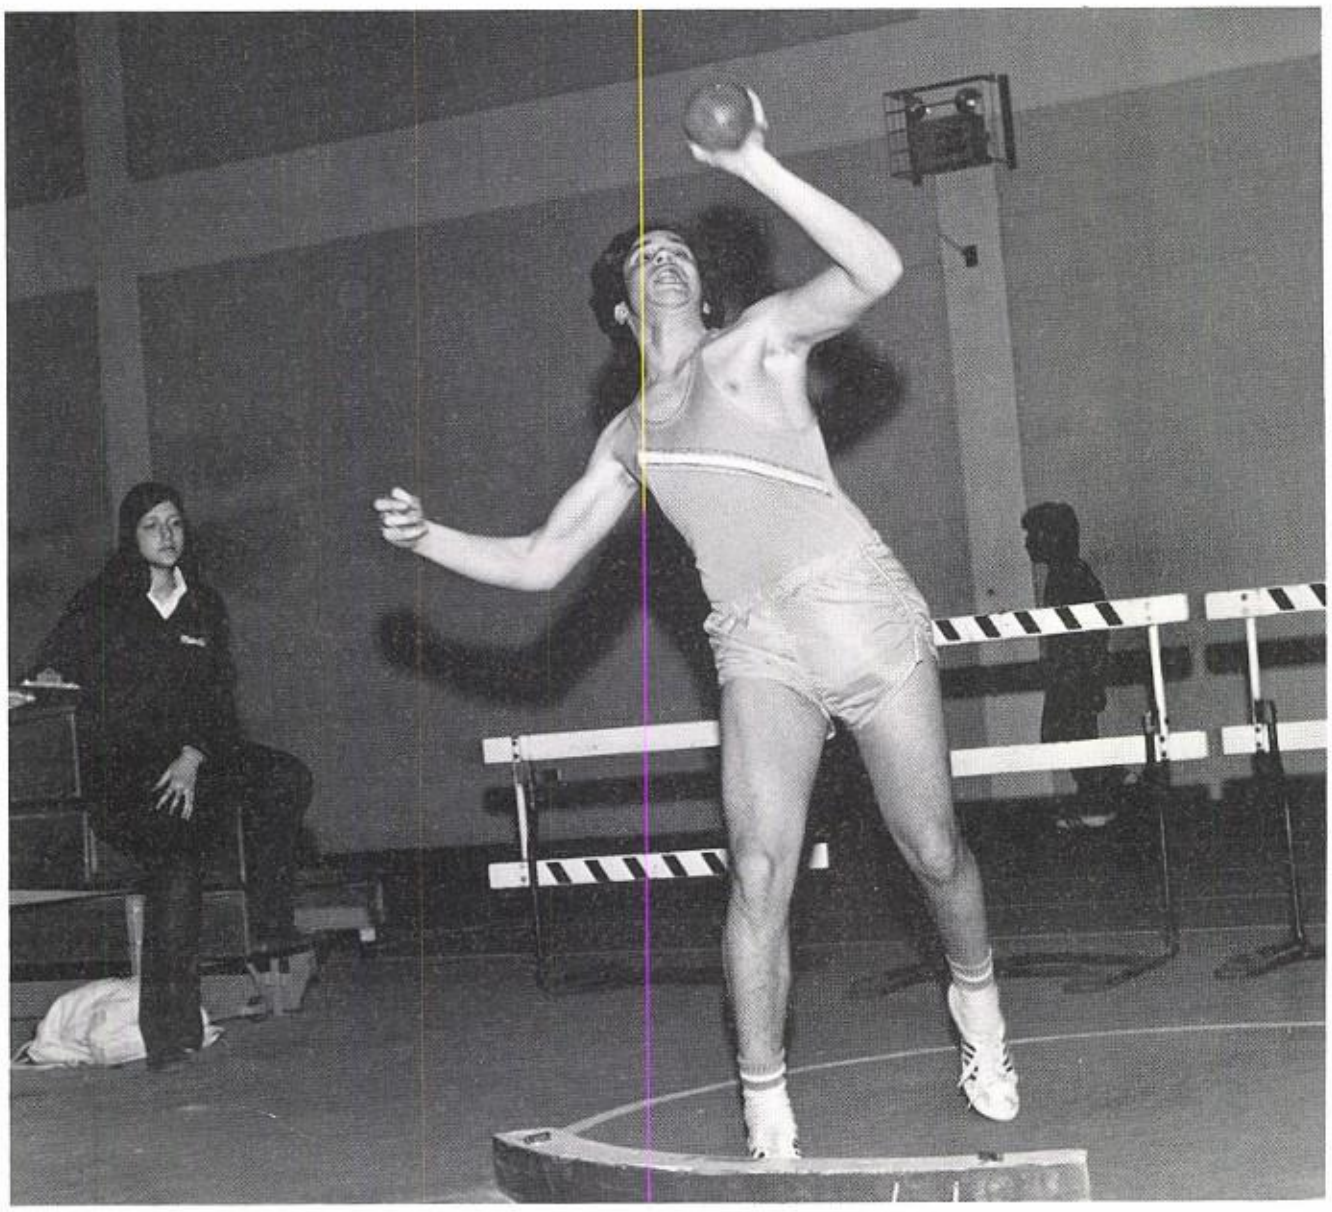








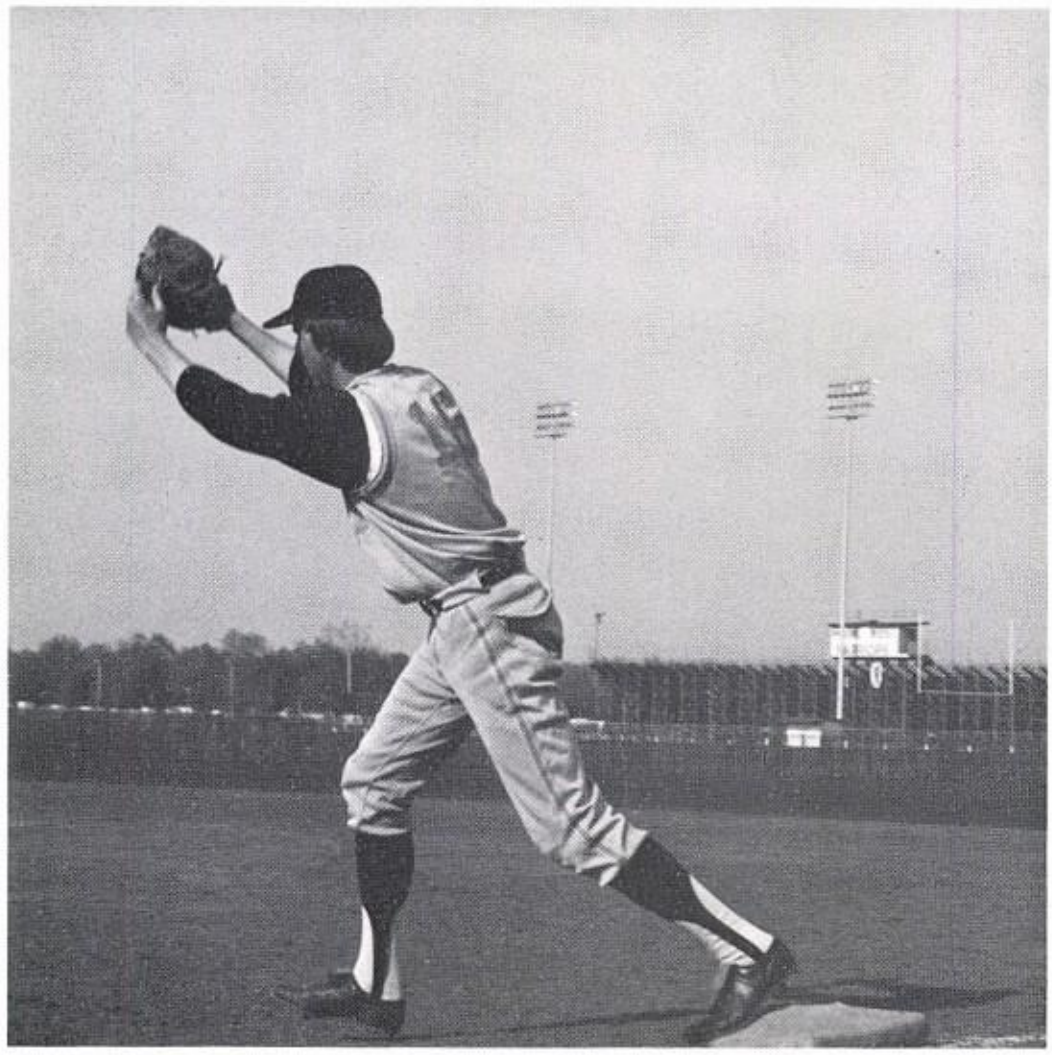
Track

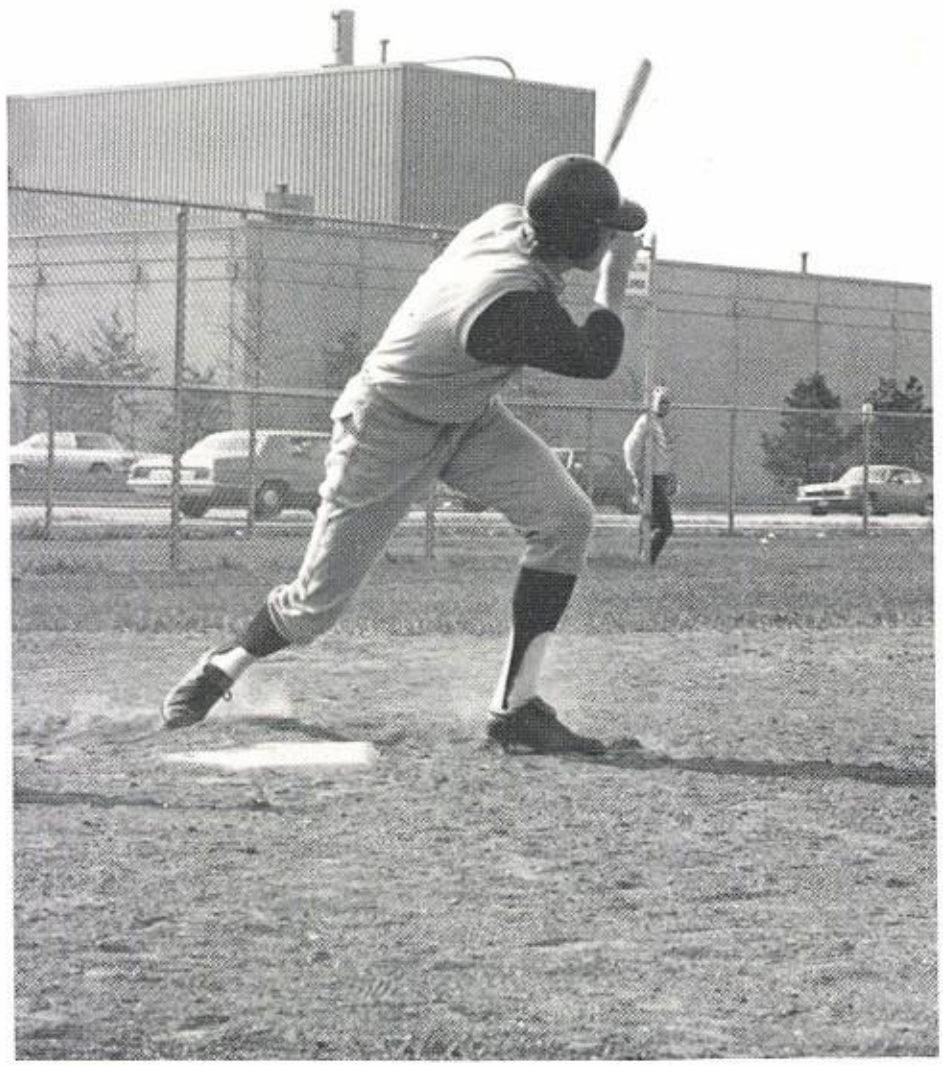


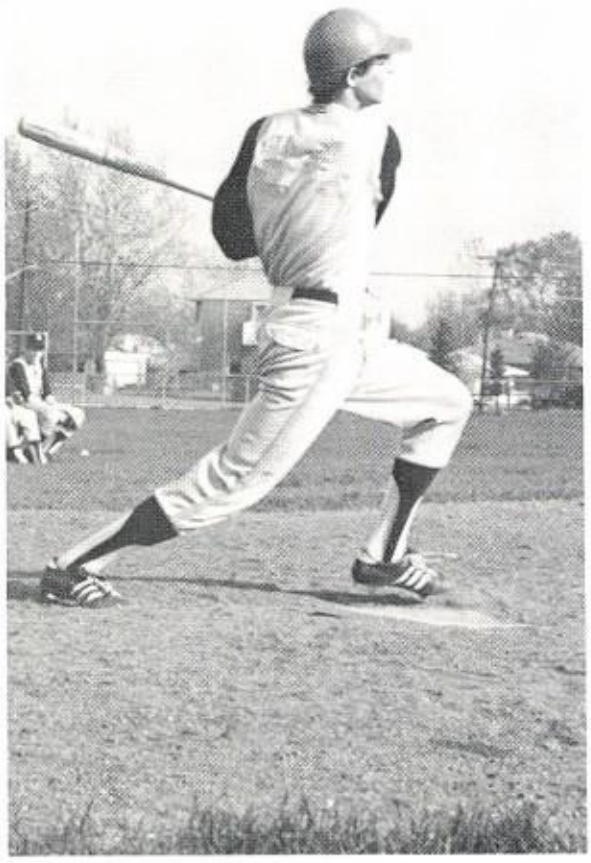
Continuing a long tradition of track excellence, the 1973 track team became the first team in Maine West history to win the Blue Demon Relays. Other highlights included third in conference and third in district track competition. Cinderman Bill Klippert was selected for the all-Chicago area track team and placed seventh in the state.

Baseball

The Warrior varsity baseball team was led by Chris Bouchee and Jay Liggett. Both players made all-conference, and Chris was named all-area. Jeff Schwarz was named honorable mention all-conference. This was also the first year for bat girls and girl scorekeepers, and they did a tremendous job.

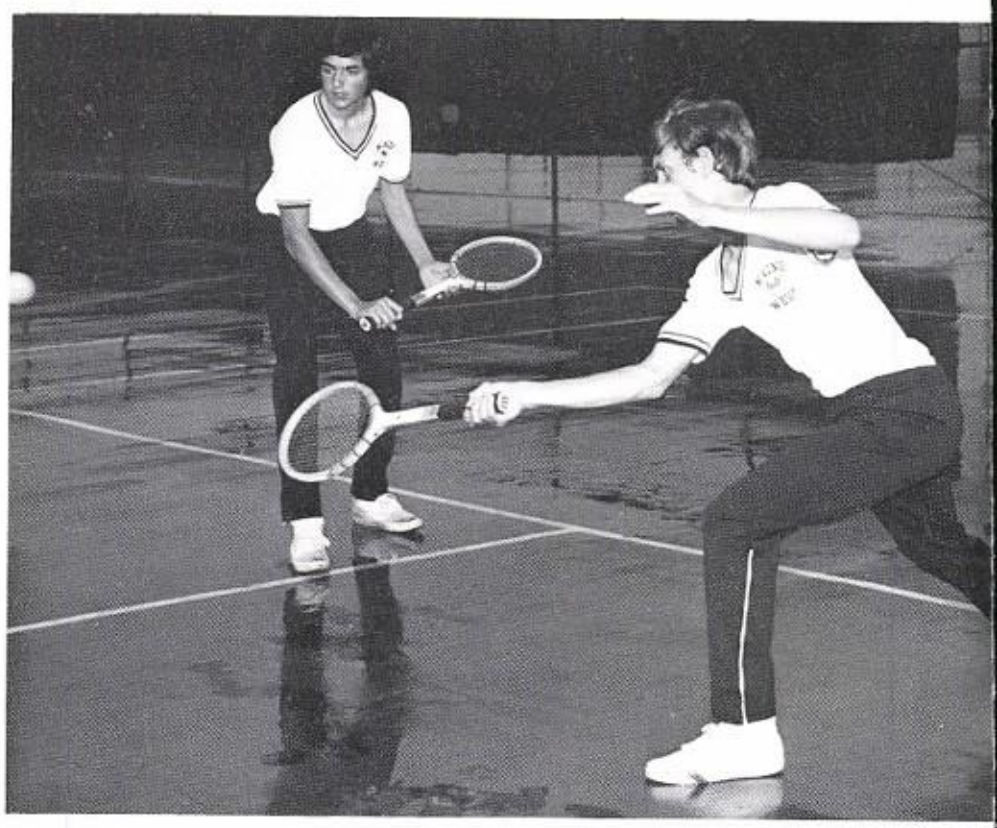


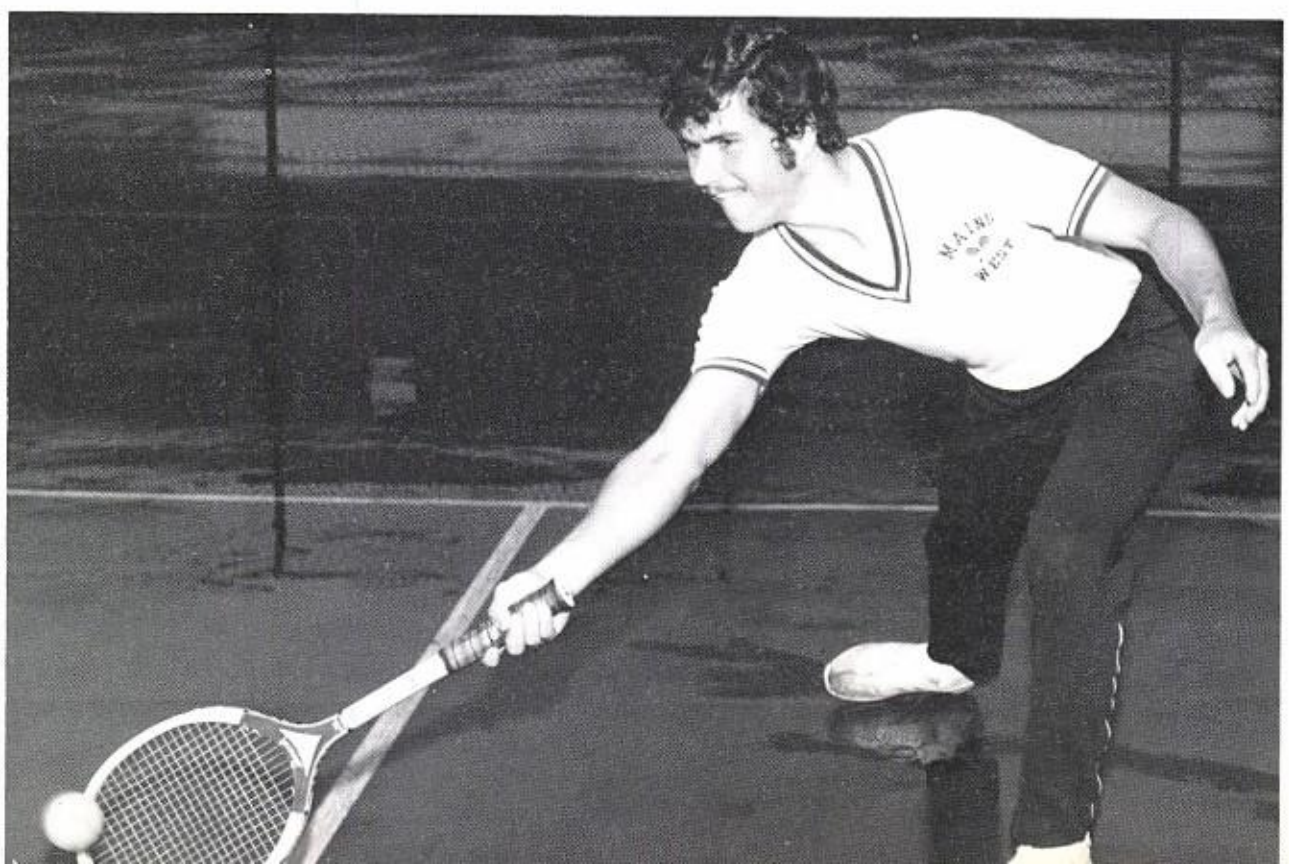


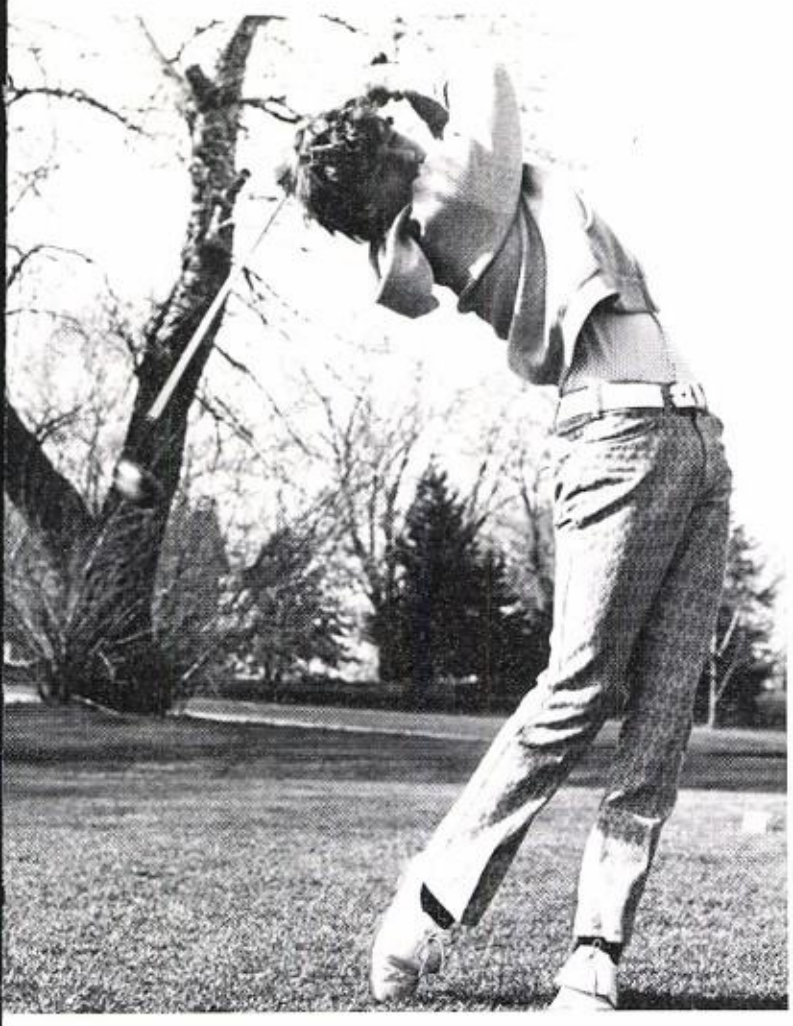


Tennis

This year's tennis team was the district champion. Steve Wild qualified and went down state in the singles. The team's record was 12-4. They also placed fifth in the Central Surburban League Tournament.







Golf

The golf team finished sixth in the Central Suburban Conference Meet. They finished sixth in the ISHA Golf Meet. The best dual match was against Conant.

Swimming

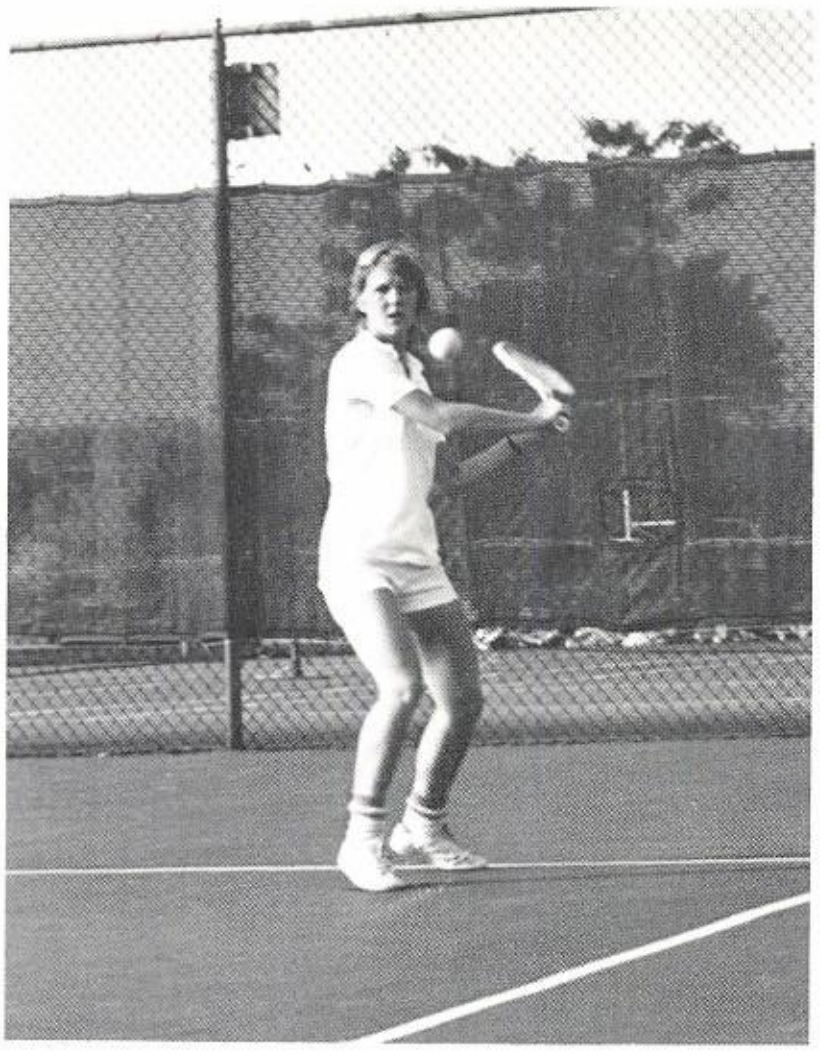
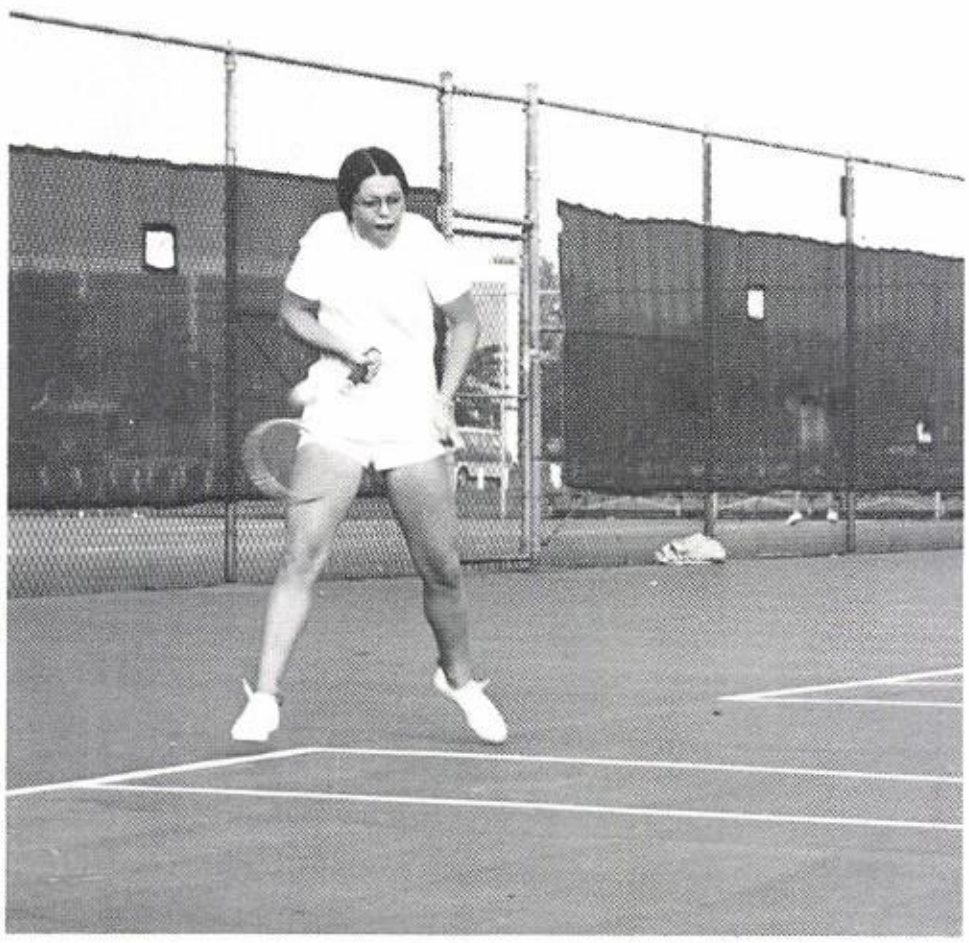
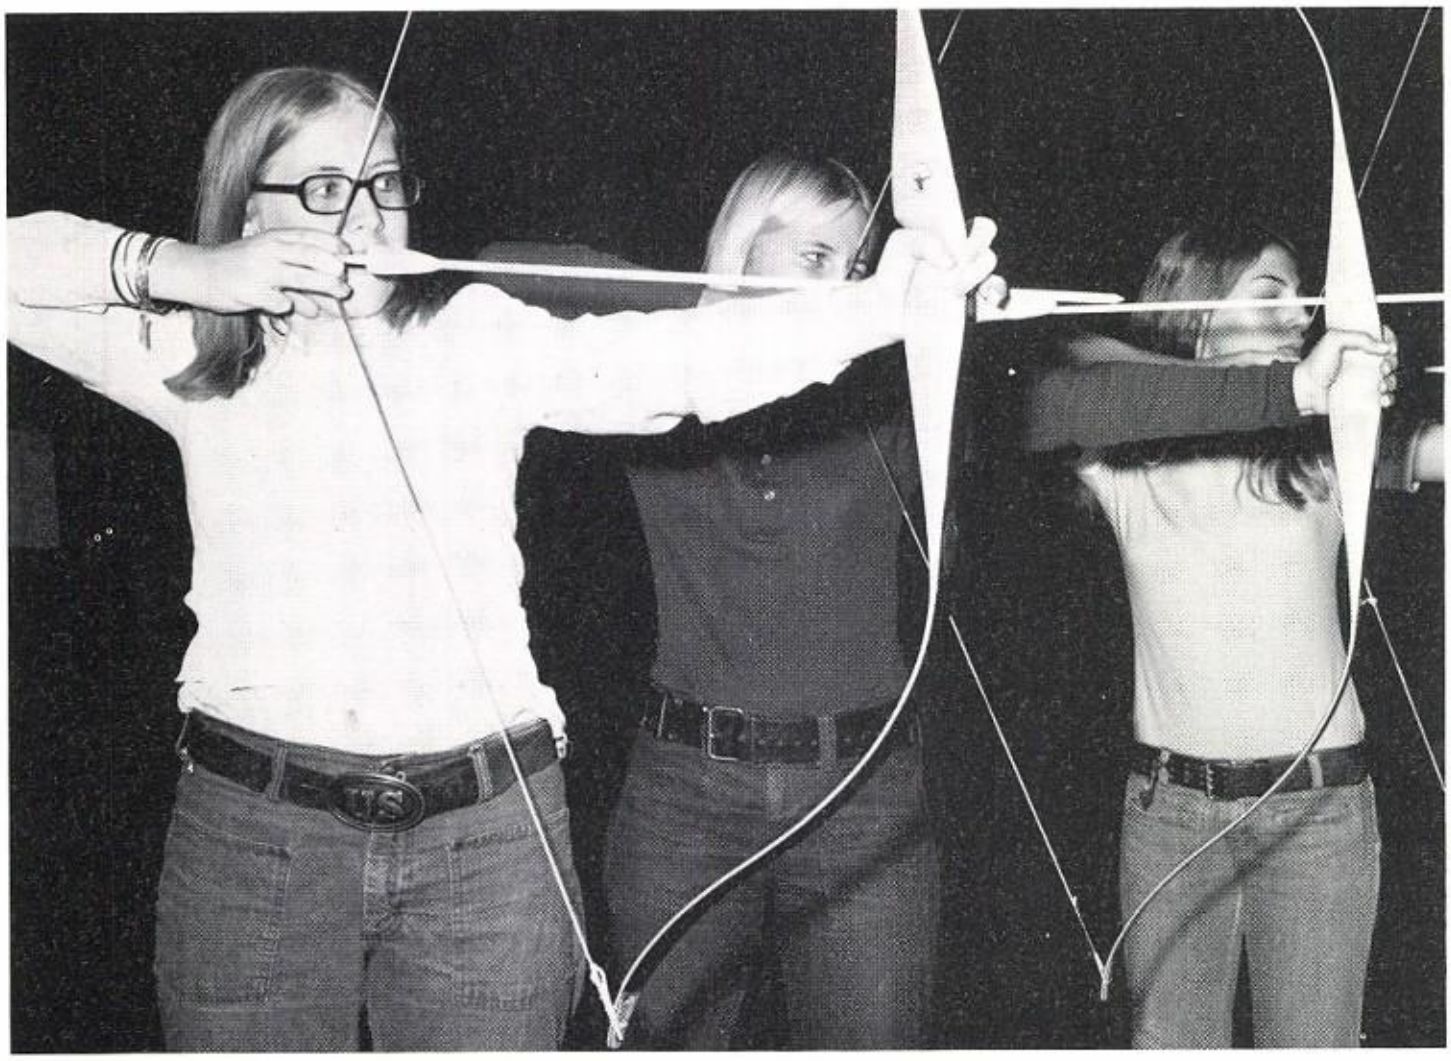
The girls' swim team finished their season with a four win-one loss division record. This year's league meet, involving eleven schools, was held at Maine West on Saturday, November 3, with Maine West placing fifth. Those placing in the top three were Sue Levand, Sue Bowersox, Betty Lou Evans, and Patty Sipple. The team enjoyed new swim suits and sweat suits this year, along with a record board for season and league times for all events.



Tennis

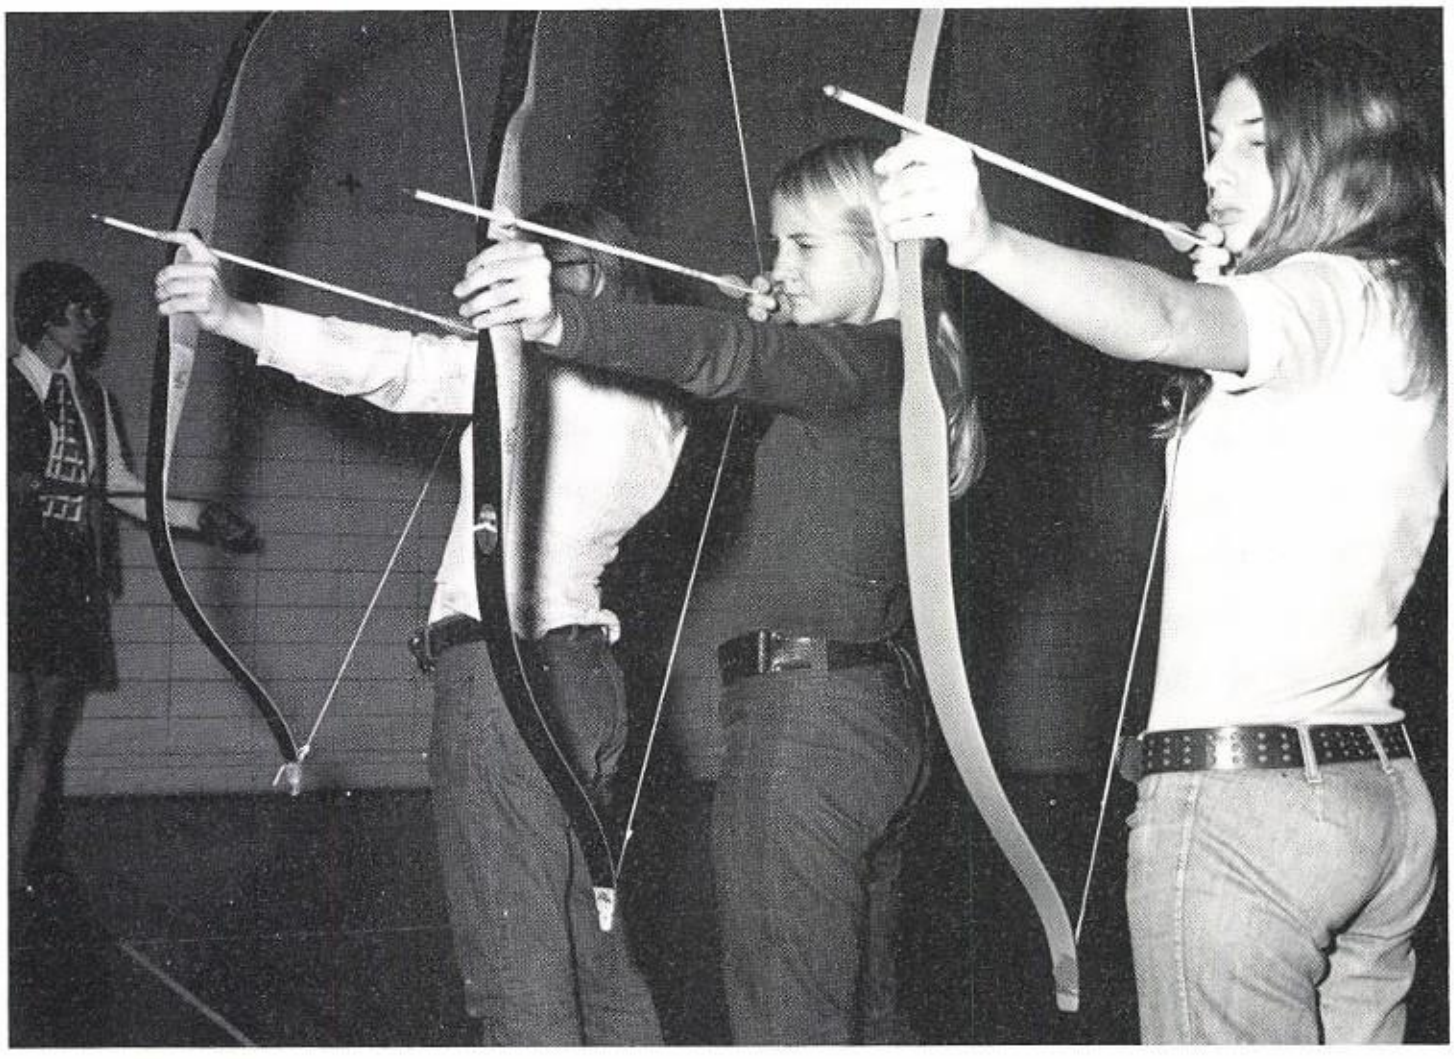
The girls' tennis team improved its season record over last year's and hopes to continue to gain strength in the strong Central Suburban League.





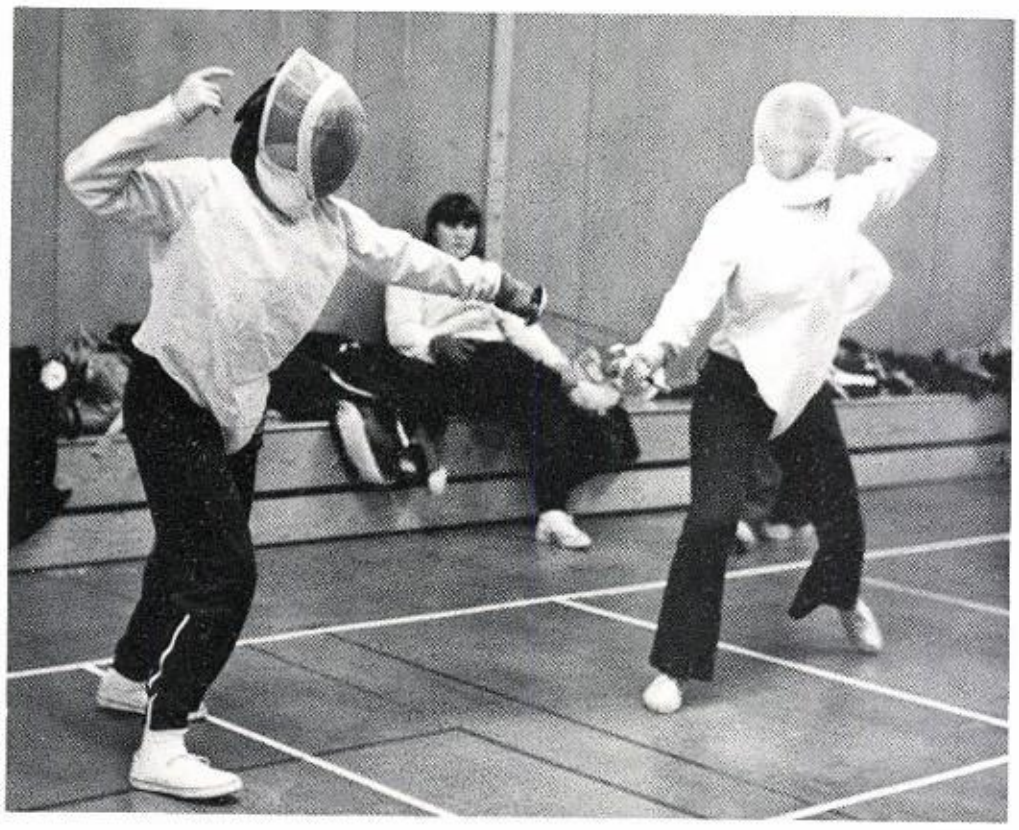
Archery

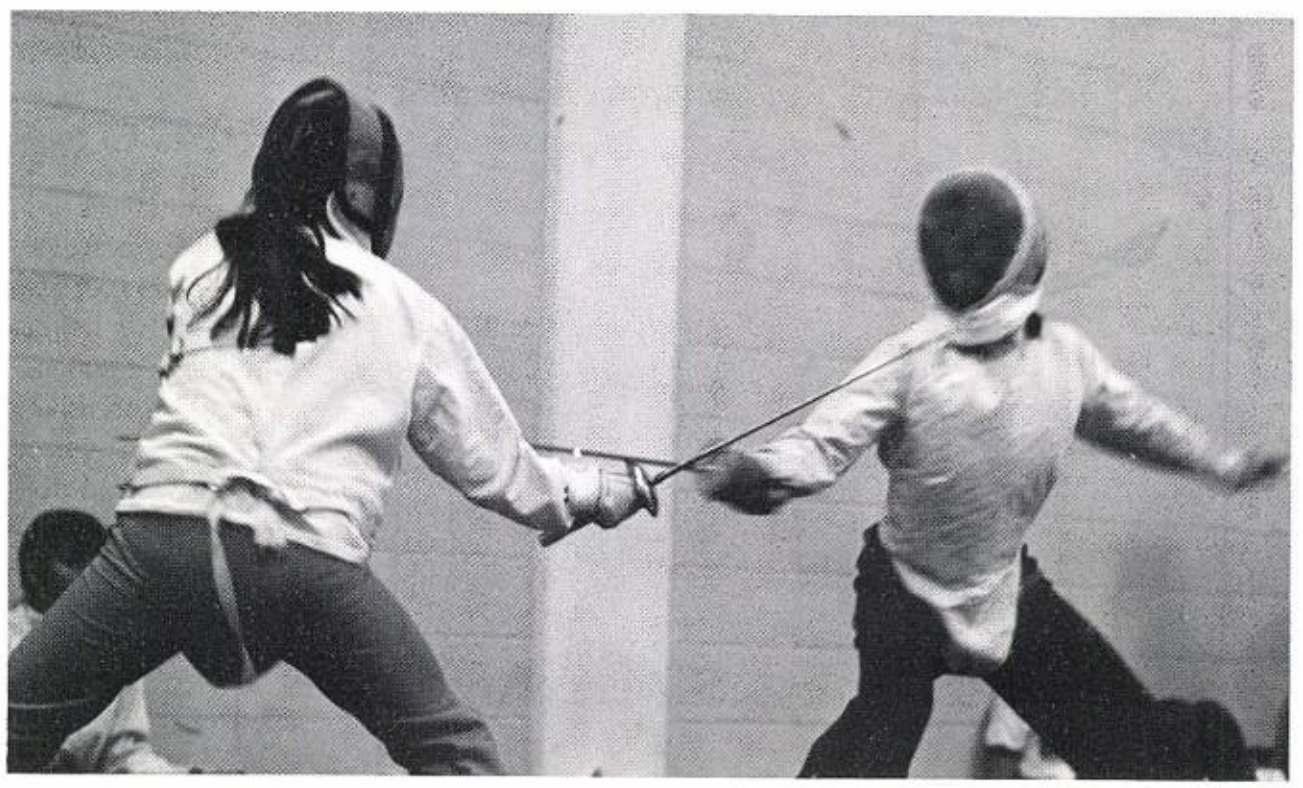
For the first time in Maine West history, Sandy Sadler '75 shot a perfect end, scoring six consecutive bullseyes from a distance of twenty yards. At the Tri-Conference meet, Barb Breider brought back a fourth place trophy for her team.

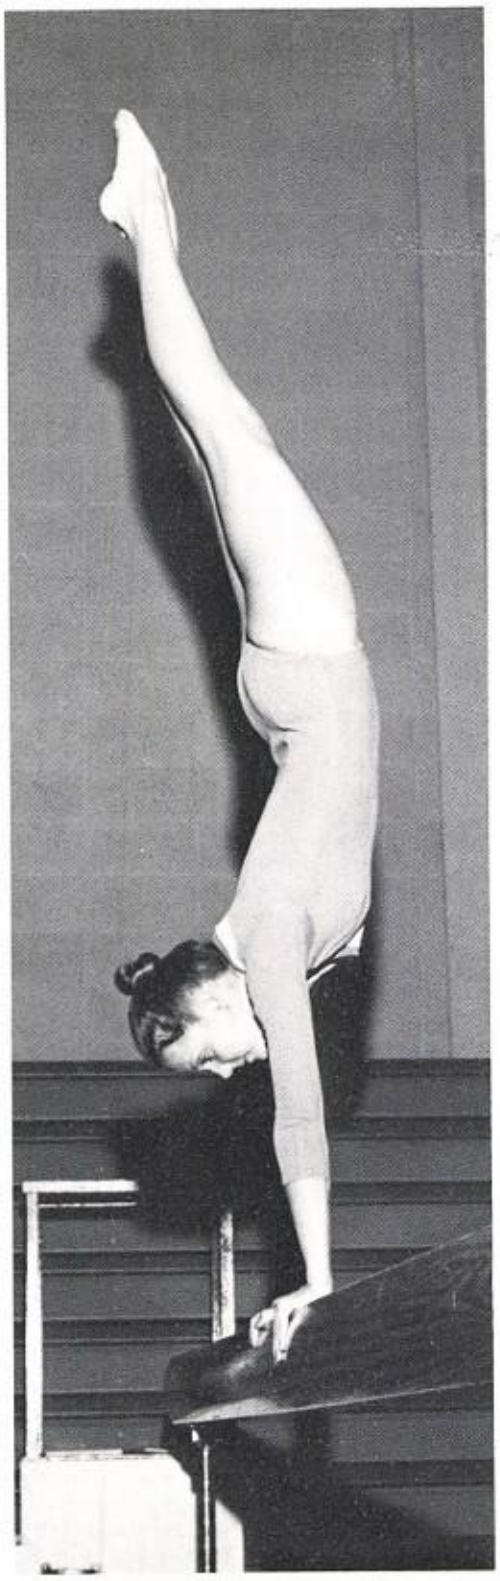


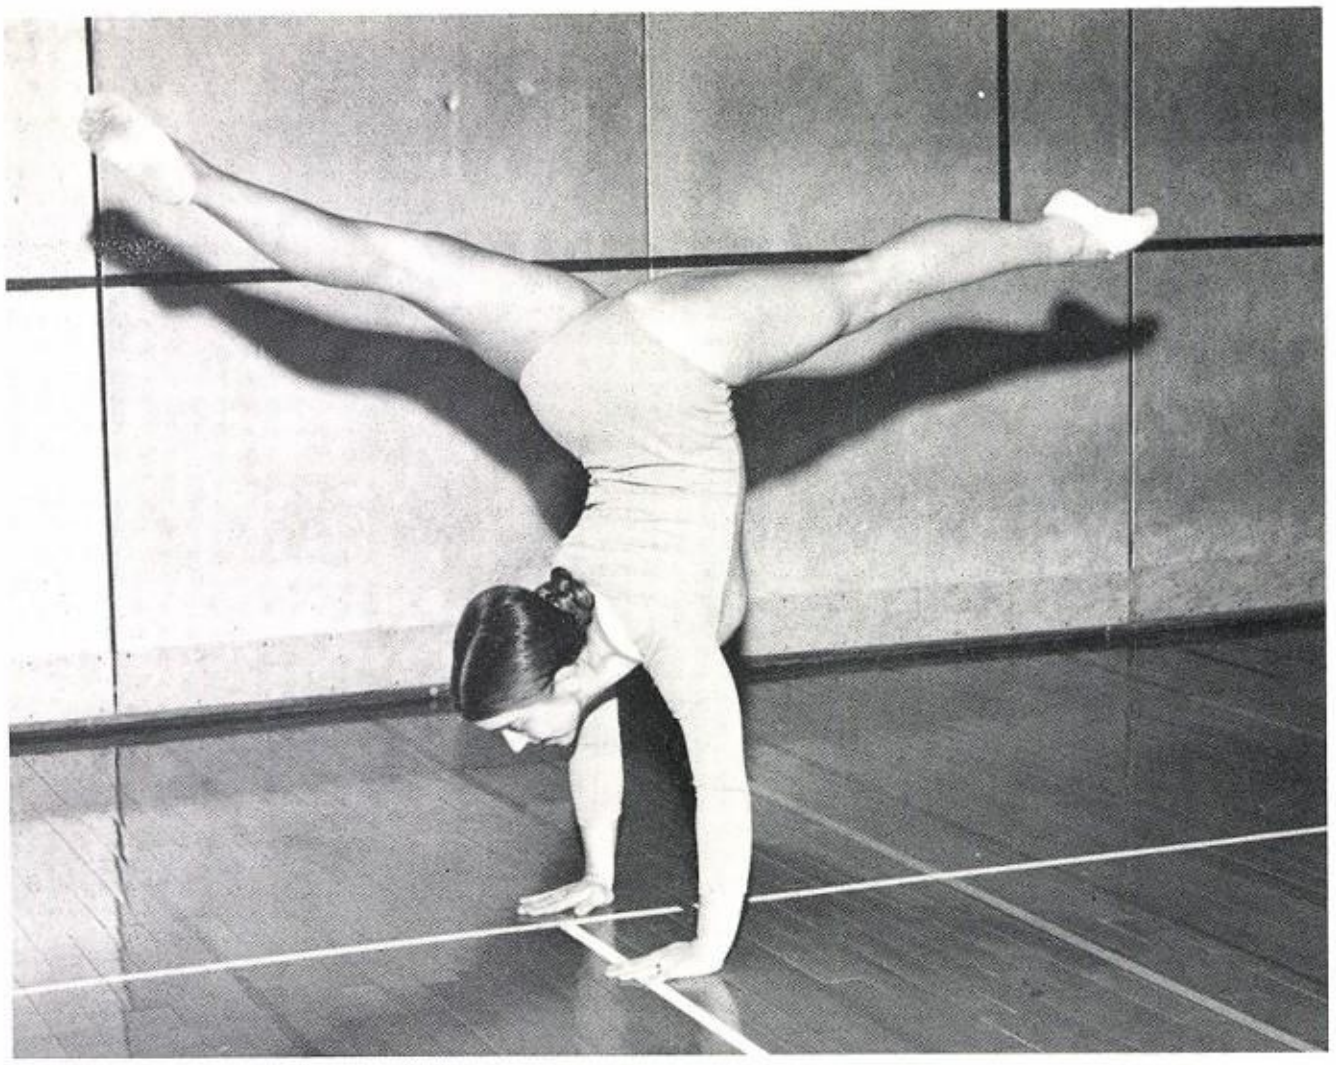
Fencing

This year's fencing team faced a tough Arlington squad and an improving Schaumburg team on a home basis with two tri-meets. Highlights of the season were Karen Neetz and Kathy Dueball's wins over the top Arlington foiler. Many freshmen came out for fencing, and a strong team is expected for next year. The seniors will be missed next year.



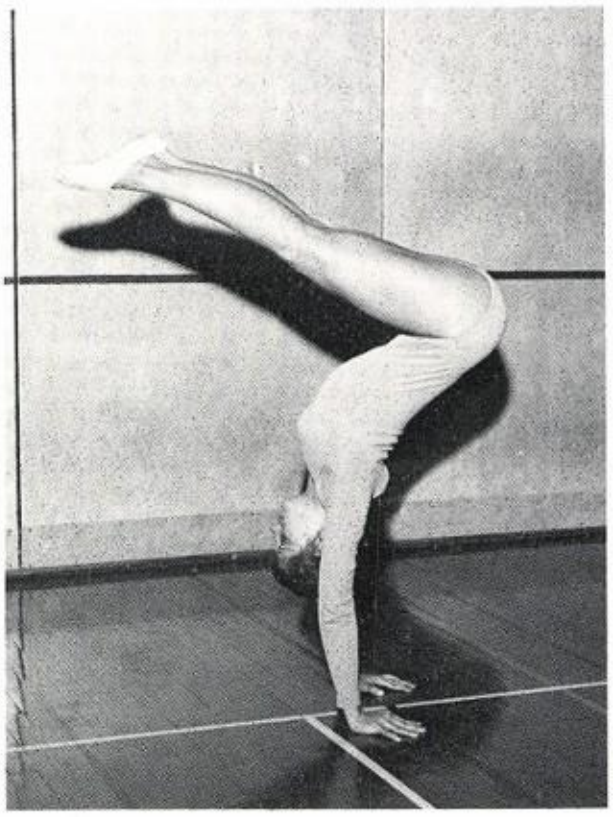


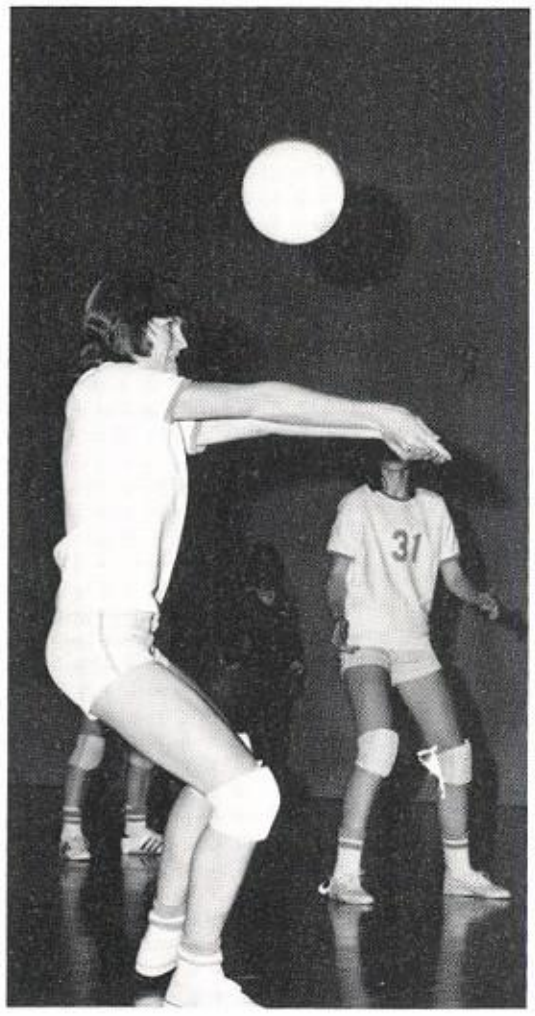


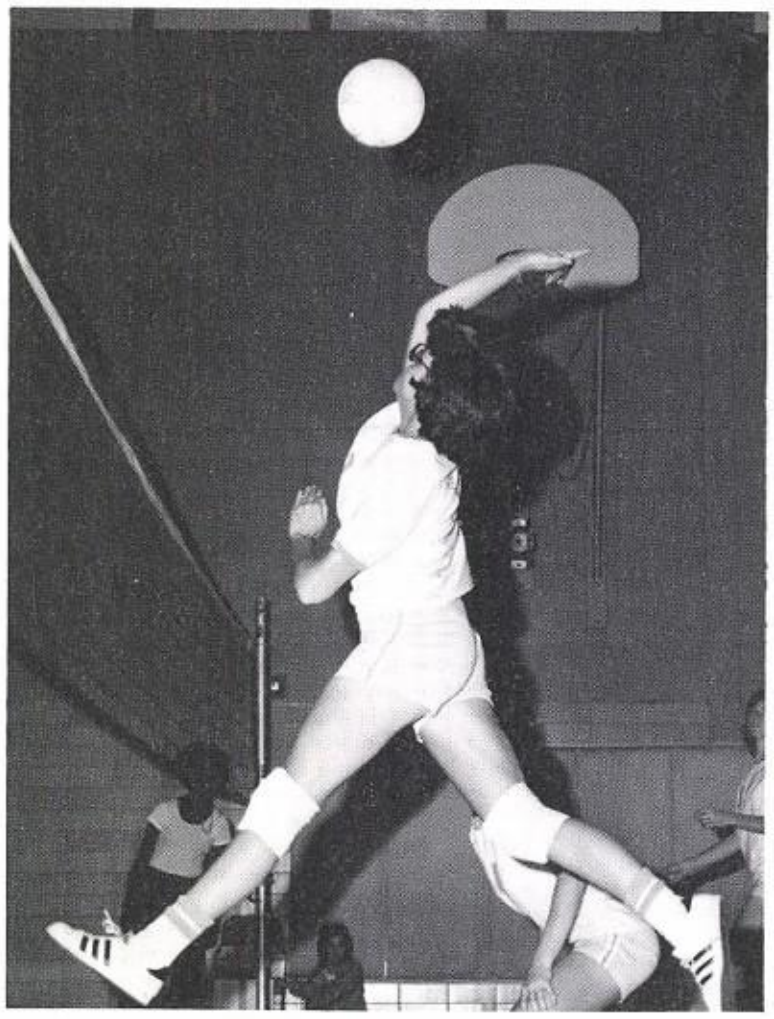


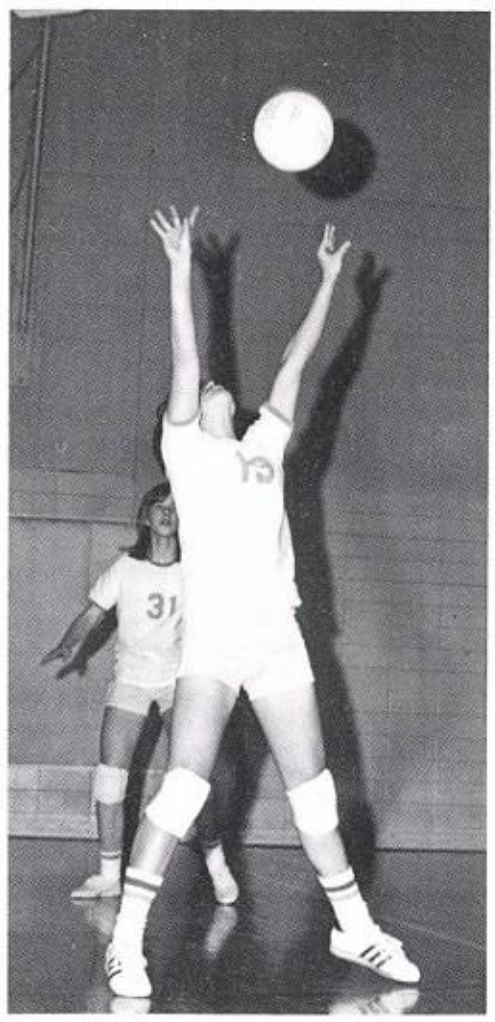
Gymnastics

The girls' gymnastics team concluded their season with a second place tie in the South Division of the CSL. The high scorers for the season were Carol Cahill, Ellen Vana, and Dottie Gallucci. In the league meet Kim Thompson placed eleventh on the uneven bars, and Ellen Vana finished seventh in free exercise. The success of their team was largely due to the retiring seniors.





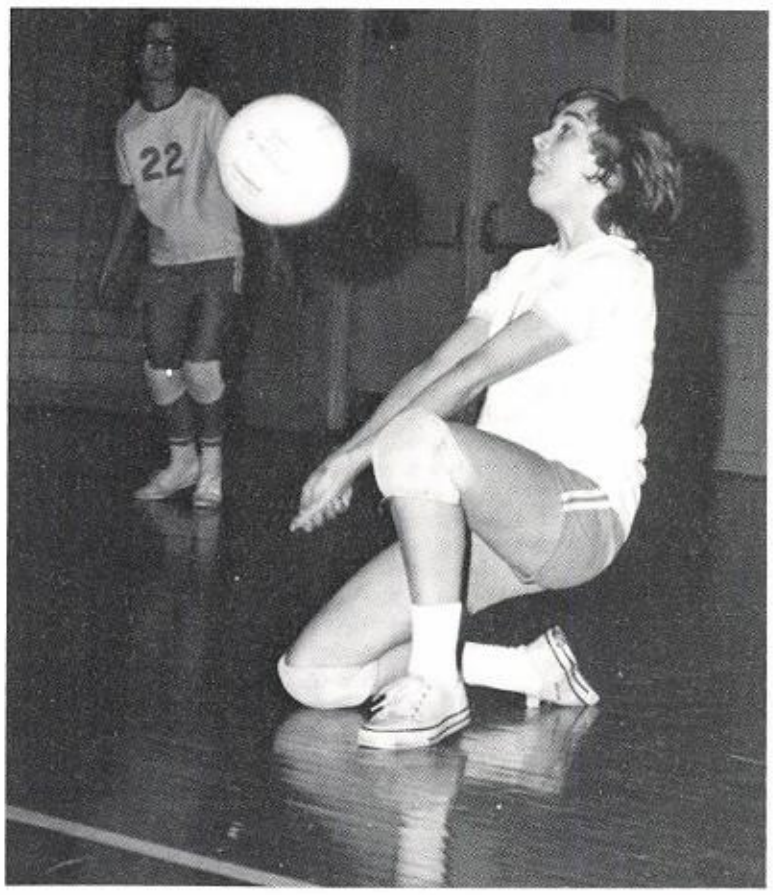


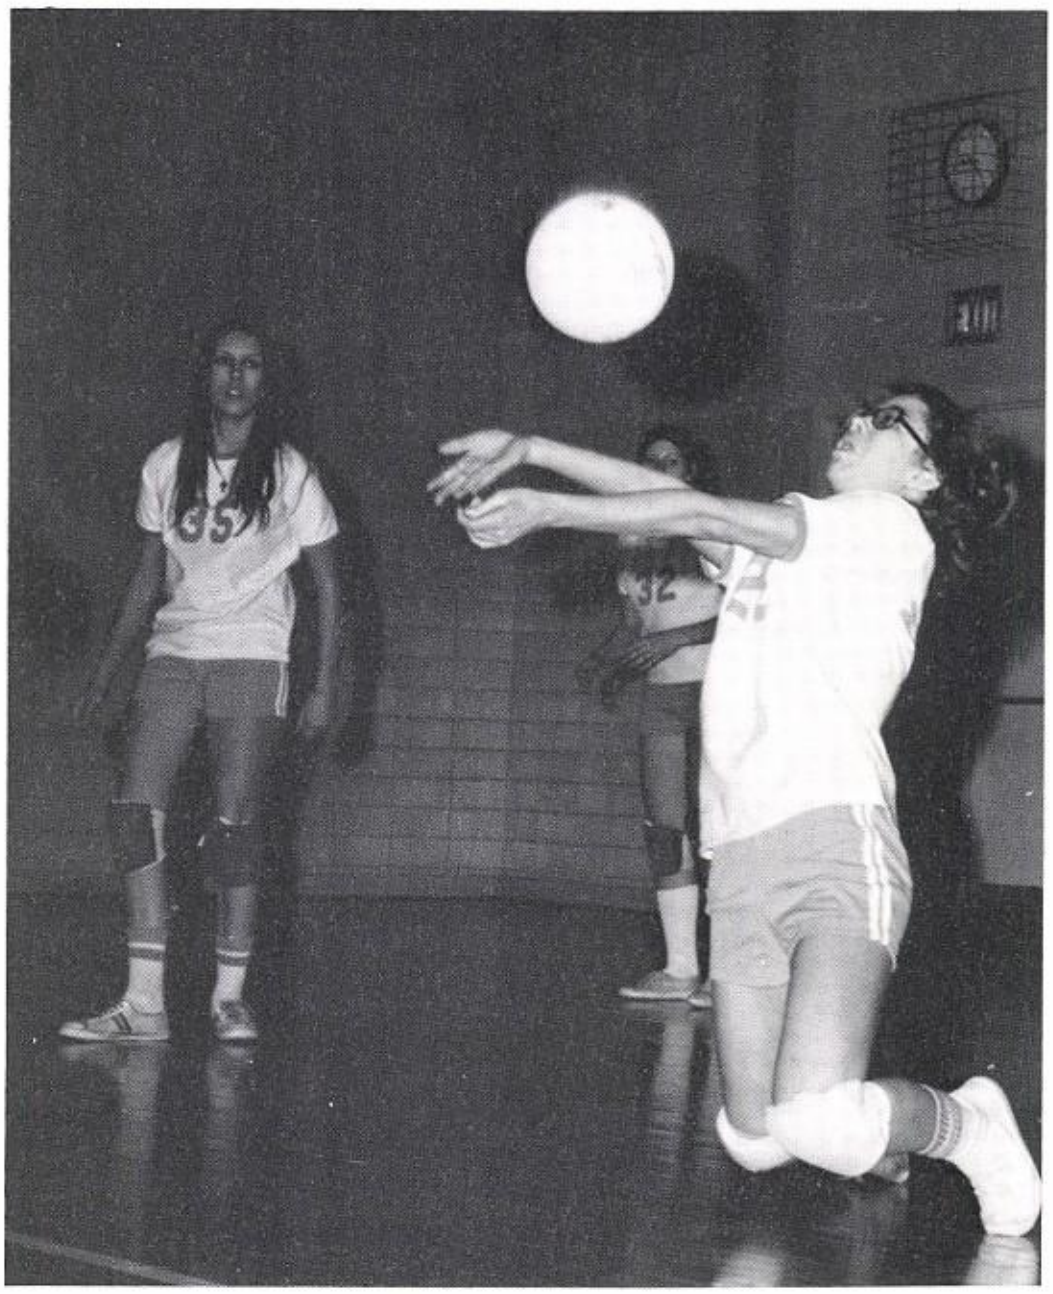


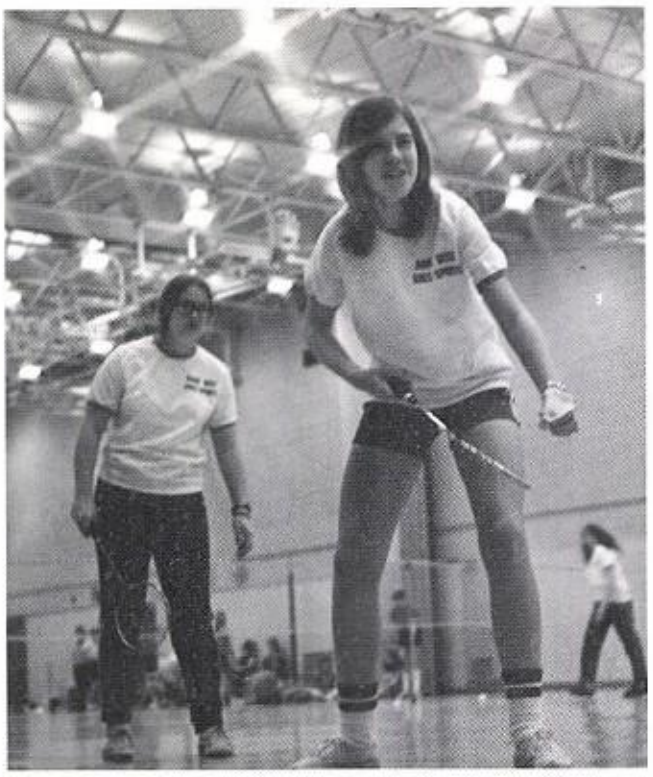
Volleyball

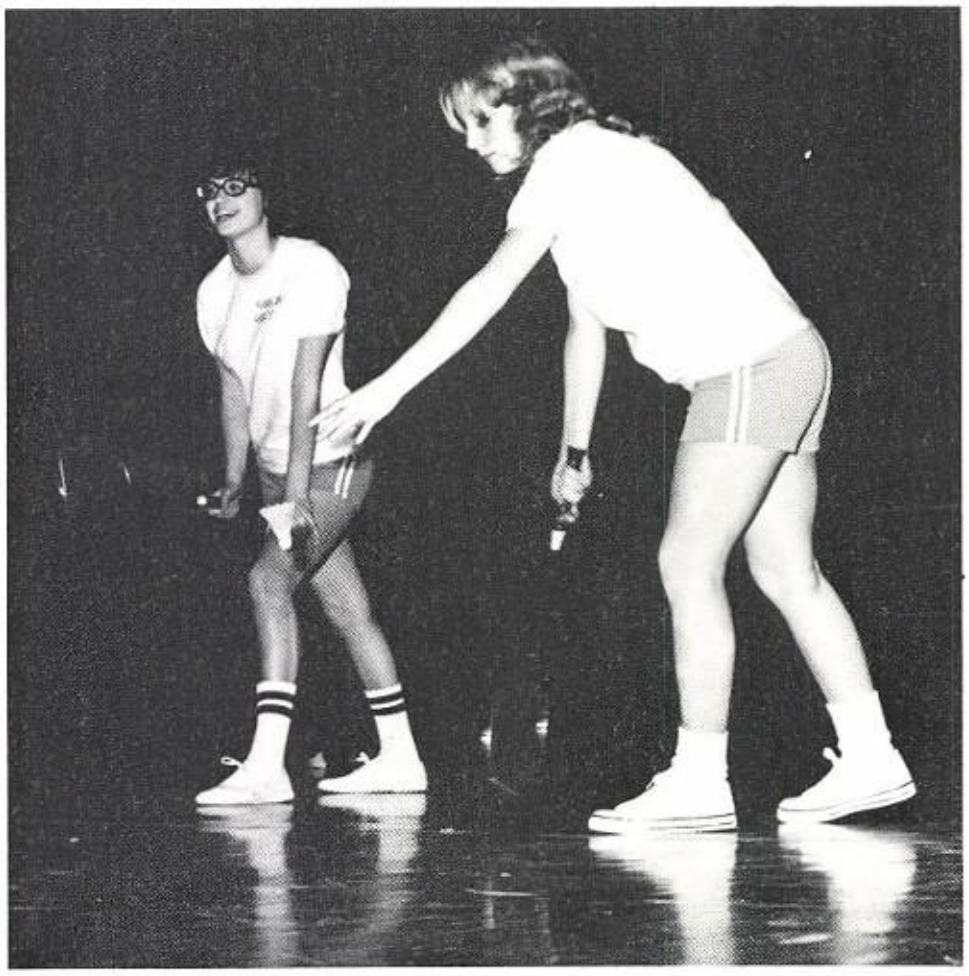
The varsity team finished its second consecutive undefeated season with a 16-0 record. The team captured the C.S.L. South Division Championship by defeating Maine South and then went on to win the C.S.L. League Championship.

The junior varsity team ended their season with 2 wins and 6 losses. The season was highlighted with a victory over Maine South. A fine job of setting up and spiking was achieved throughout the season.



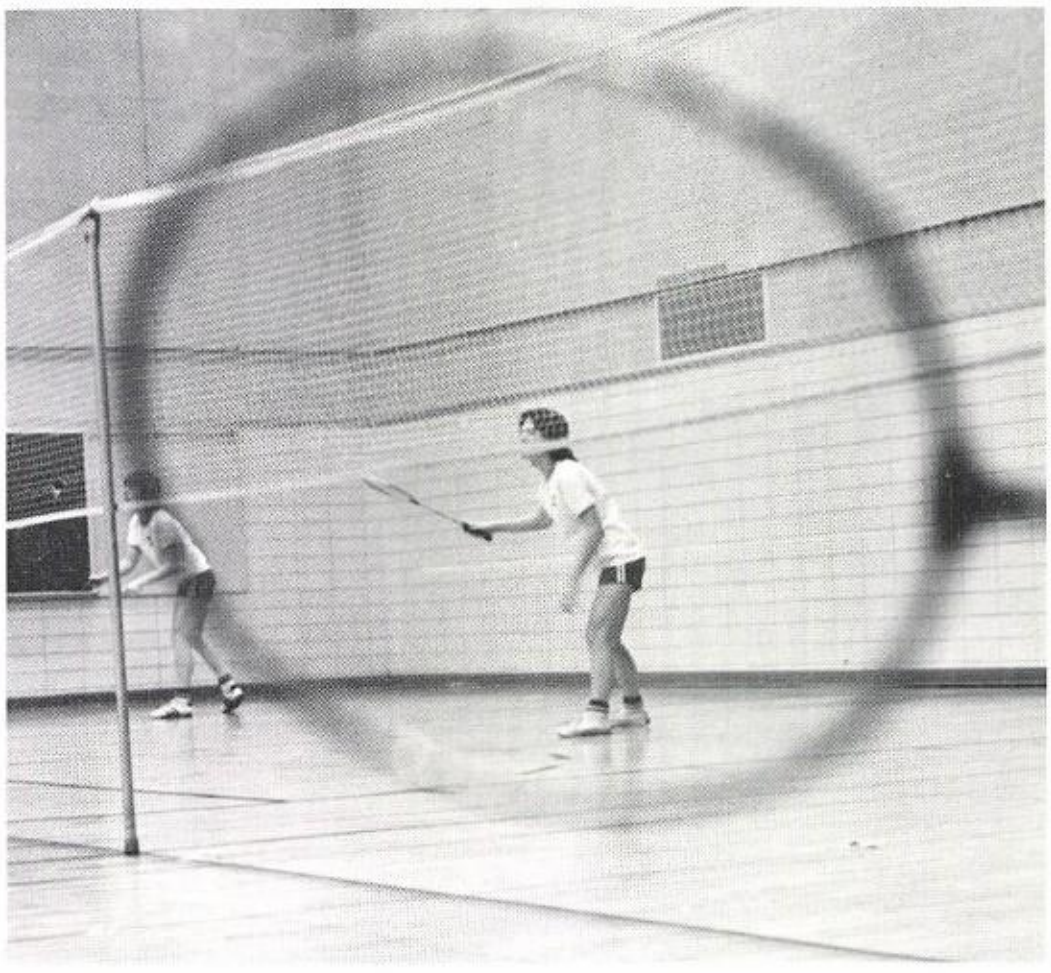






Badminton

The girls' badminton team season was highlighted by the first single play of captain Monica Polacek, second single play of Kathy Shuttleworth and third single play of Karen Batey. All other team members showed great improvement during the season promising a much improved '74-'75 season.



Basketball

This year was the first season for the girls' basketball team. Kim Tuttle was selected captain of the varsity team and Jan Heyse was selected captain of the jv team. The girls competed against Wheeling, Maine East, Niles North, Niles East, Maine South, Highland Park, and Deerfield.

Miss Baerwacz,

I must admit at the beginning I thought I wanted do drop out of high school - believe me, I knew your class was going do be a challenge! (Believe me it was!) But now I really think I've learnt alot - and it will especially help me at the big U (of I). You'll be glad to know I am now recruiting those poor unfortunate juniors for you for next year. But I must also say that you've been kind of a friend too. It was kinda nice to hear someone say hello & smile in the hall at 7:30 in the A.M. And I never knew that bit about the either. Well I will be sure & write you a letter from CREST. Good luck to you when I come in to pick up my paper. Take care, Illinois, & Still see you!

& But good luck always.

Kathy Beck

Miss Bascubach

I hope this fifteenth volume of the **Legend** has meant something special to everyone. The **Legend** staff has spent quite a bit of hard work and lots of time to put it together. I wish to thank the entire staff for putting up with my nagging and for doing such a great job. Also Mr. George Walker, our faculty advisor, and Mr. Mike Hackleman, our publishing agent, deserve a great deal of thanks for all their help. The cover design was done by Kathy Kulin '74 and the photography by Root Studios.

Editor-in-Chief

The significance of a man is not in what he attains, but rather in what he longs to attain.

Miss Basenback -

I'm glad I finally had you for my English teacher. I have really learned a lot of English this year. Take care of yourself and the Ducks. I'll keep in touch to let you know what I'm doing. Thanks for teaching me something in English!

Your neighbor,
